Prof. Alain Bouscayrol, University of Lille, France

Paper Submission Guidelines

(More information can be found at www.vppc15.org)

- An abstract of 50-100 words and a digest of 3-5 pages should be submitted to a conference track or special session.
- Final paper should be less than 6 pages in the IEEE format.
- Papers registered and presented will be included on the conference USB stick and submitted to the IEEE Xplore database.

Call for Special Sessions

Prospective participants of VPPC 2015 are encouraged to organize special sessions (up to a total of 6 papers) in a particular area within the conference topics.

CONFERENCE TRACKS

- Vehicular Electric Power Systems and Loads
- Vehicular Power Electronics and Motor Drives
- Advanced Vehicles
- Energy Storage
- Components / Systems
- Vehicular Electronics
- Modeling, Analysis, Dynamics and Control

Proposals will be evaluated based on the relevance to VPPC. Once the proposal has been approved, the organizer(s) as well as the special session chairs will arrange the special session promotion and the review process.
