

**PROJET ACCOMPAGNEMENT-RECHERCHE-FORMATION
POUR LA MISE EN ŒUVRE DU PFEQ (MELS-UQTR)**

**REGION : ANGLOPHONE COMMUNITY, QUEBEC GROUP
MEETING 14: MAY 1 & 2, 2008**

Theme: Deepening Competency to Accompany a School Team

Thursday, (9:00 to 16:00)

Morning

- Overview of the two days and the learning intentions.
- Presentations of Accompaniment Activities by the School Accompaniment Teams.
- Constructing a deeper understanding of the strategies to be incorporated into an accompaniment plan.

Afternoon

- Constructing a vision of where teachers need to be by November of next year.
- Constructing the learning intentions for a long term accompaniment project.
- Identification of structural and/or organizational changes that could be made to facilitate the process.

Friday (8:30 to 15:30)

Morning

- Creating and presenting the long term plan that will take teachers to where they need to be by November 2008.
- Identification of areas where outside expertise is required.

Afternoon

- Accompaniment of school teams continued.
- Drawing out important understandings.
- Feedback and planning for next session.
