Activity report for 2022-2023

Publications:

In January 2023 we published the fourth volume of our series “Long Eighteenth Century”, entitled “Paper Revolutions- Manuscripts and Printed Volumes as Ideological Tools.” It can be found on our website free download: https://bulgc18.com/?page_id=1126

See more of our posts here: <https://www.facebook.com/BulgarianSocietyForEighteenthCenturyStudies>

Conferences:

On 27 March 2023 we held the annual conference of the Bulgarian society entitled “Fiction in the Archives: The Selection of Facts and Documents in the Scientific Research”. The conference was organized together with a team of researchers from the Institute of Literature from the Bulgarian Academy of Science.

Other events:

On 28 June 2022 the Bulgarian Society held its annual meeting and cocktail marking the 30th anniversary of the organization. In the first part of the event, the members listened to the opening speech of the president Nadezhda Alexandrova. Then the vice-president prof. Raya Zaimova made an overview of the history of the organization for the past 30 years, and lastly there was a review of the four published volumes in our series “Long Eighteenth Century”, which was presented by associate professor Boyka Ilieva - Penzova, a member of our society. Then there was a cocktail held in the garden of the restaurant of the Bulgarian Academy of Sciences. More about the event can be found in the invitation on our website. <https://bulgc18.com/?p=1092> A review, written by Boyka Ilieva-Penzova on our 4th volume in the Series “The Long Eighteen Century” is published in the journal “Colloquia Comparativa Litterarum”, vol. 8, 1, 2022:
