

## CURRICULUM VITAE - ANDRÉ BUSSIÈRES DC, FCCS (C), MSc, PhD

### AFFILIATIONS

- Professeur Titulaire, Département chiropratique, Université du Québec à Trois-Rivières  
[https://oraprdnt.uqtr.quebec.ca/pls/public/genw050r.page\\_perso?owa\\_no\\_personne=336695](https://oraprdnt.uqtr.quebec.ca/pls/public/genw050r.page_perso?owa_no_personne=336695)
  - Assistant Professor, School Physical and Occupational Therapy, Faculty of Medicine, McGill University (Quebec). <https://www.mcgill.ca/spot/andre-bussieres>
  - Enseignant-Chercheur Sénior, Institut Franco-Européen de Chiropraxie, 24, Bvd Paul Vaillant-Couturier, 94200 Ivry sur Seine, France. <https://www.ifec.net/la-recherche/>
  - Adjunct Professor, Faculty of Kinesiology and Recreation Management, 203 Applied Research Centre. University of Manitoba, Winnipeg, Manitoba R3T 2N2
  - Adjunct Professor, Canadian Memorial Chiropractic College, Toronto, ON M2H 3J1
- Fluent oral and written communication: French, English

---

### BUSINESS ADDRESS

#### Département chiropratique, Université du Québec à Trois-Rivières

C.P. 500, Trois-Rivières, Québec, Canada / G9A 5H7  
Tel. #: (819) 376-5011 ext/poste 3972 Fax #: (819) 376-5204  
[andre.bussieres@uqtr.ca](mailto:andre.bussieres@uqtr.ca)

#### School of Physical and Occupational Therapy, Faculty de Medicine, McGill University

3630 Promenade Sir-William-Osler (Drummond)  
Hosmer House, Room 205, Montreal, Quebec, Canada H3G 1Y5  
Fax #: (514) 398-8193  
[andre.bussieres@mcgill.ca](mailto:andre.bussieres@mcgill.ca)

### ACADEMIC TRAINING

- |           |  |
|-----------|--|
| 2008-2012 | <b>PhD (Population Health)</b><br>Ottawa University, Ottawa (Ontario). Supervisor: Dr Jeremy M Grimshaw, MBChB, PhD, FRCGP           |
| 2007-2008 | <b>MSc (Sciences de l'Activité Physique)</b><br>Université du Québec à Trois-Rivières (Québec) Supervisor: Louis Laurencelle PhD     |
| 1994      | <b>Fellow of the Canadian College of Chiropractic Sciences</b><br>FCCS (C)   |
| 1991-1993 | <b>Chiropractic Residency in Clinical Sciences</b><br>Canadian Memorial Chiropractic College<br>Toronto (Ontario)                    |
| 1987-1991 | <b>Doctor in Chiropractic (DC)</b><br>(Summa cum laude, Clinica hons)<br>Canadian Memorial Chiropractic College<br>Toronto (Ontario) |
| 1984-1987 | <b>BSc (Nursing),</b> Montreal University, Montreal (Quebec)   |
-

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

April 2026

Page 1

**PROFESSIONAL EXPERIENCES**

- 2002 - (ongoing) **Full Professor (tenured)**, Chiropractic department, Université du Québec à Trois-Rivières (Quebec).
- 2012 – (ongoing) **Assistant professor**, School of Physical and Occupational Therapy, Faculty of Medicine, McGill University (Quebec). 2023 – (ongoing)
- 2021 - (ongoing) **Enseignant-Chercheur Sénior**, Institut Franco-Européen de Chiropraxie, Ivry sur Seine, France.
- 2023 - (ongoing) **Adjunct Professor**, Faculty of Kinesiology and Recreation Management, 203 Applied Research Centre, University of Manitoba, Winnipeg (Manitoba)
- 2024 - (ongoing) **Adjunct Professor**, Canadian Memorial Chiropractic College, Toronto (Ontario)
- 2012-2018 **Project lead**, Canadian Chiropractic Guideline Initiative (CCGI):  
[www.chiroguidelines.org](http://www.chiroguidelines.org)
- 2015-2018 **Associate Member**, Department of Epidemiology, Biostatistics and Occupational Health, Faculty of Medicine McGill University (Quebec)
- 2015-2017 **Associate Professor**, Département de réadaptation, Faculté de médecine, Université Laval (Quebec)
- 2009 **Research Assistant**. Overview of systematic reviews on professional prescribing practice and professional interventions. Canadian Agency for Drugs and Technologies in Canada (re) review by the Cochrane EPOC Group.
- 2005-2008 **Program Director**, Chiropractic department, Université du Québec à TroisRivières (Quebec), one of the largest undergraduate program in Canada (245-credits delivered over 5 years).  
**Administrative responsibilities**  
Responsible for overseeing the review and implementation of the new chiropractic program.
- 2006-2007 **Private Practice**, Clinique chiropratique O'Shaugnessy-Bussières, Trois-Rivières (Quebec)
- 1998-2002 **Private practice**, Clinique chiropratique Richelieu, Richelieu (Quebec)
- 1993-2006 **Private Practice**, Clinique Médicale et Chiropratique Place Beaumont, Brossard (Quebec)
- 1993 **Private Practice**, Mediservice Clinic, Dollard-Des-Ormeaux (Quebec)

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

**TEACHING RESPONSIBILITIES**

**UQTR (2003-2025)**

- Orthopédie et rhumatologie (MPR1001, MPR1002) - Didactic course & lab
- Introduction au diagnostic (GSS1001) - Laboratory
- Méthodes de recherche (CPR-1025) - Didactic course
- Research Methods (CPR1035) - Didactic course
- Literature Search/Critical Appraisal (CPR1034) – Didactic course
- Intervention chiropratique et santé (CPR1002) – Didactic course
- Coordinator (stage d’observation et d’intervention)
- Stage d’intervention III (CPR1020)
- Internats I – II - IV (CPR-1021, 1022, 1024) – Outpatient clinic supervision

**McGill University (2012-2025)**

**Graduate courses** (invited lecture)

- Selected topics in rehabilitation sciences (POTH-614) (2019-2024)
- Knowledge synthesis seminar (POTH 617/619) (2017-2025)
- Knowledge Translation in Rehabilitation (POTH 680) (2016-2024)
- Online Graduate Certificate in Chronic Pain Management (2016-2022)
- Systematic review module workshop (2012-2016)

**Undergraduate courses**

- Systematic review module – Advanced research methods (POTH 612)
- Selected Topics in Rehabilitation (Systematic reviews) (POTH 614)
- Systematic reviews - Research Methods (POTH 401) (invited lecture)
- CAM-McGill 4th year medical students (Lecture on chiropractic: 2014- 2016)
- Movement. Course Director: Claire LeBlanc (INDS 118: June 11 2020)

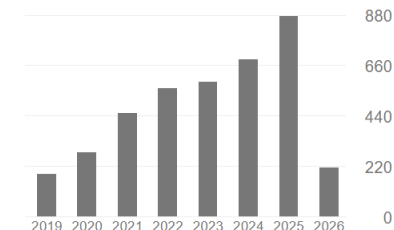

**Publication summary**

ORCID ID: <a href="https://orcid.org/0000-0002-28186949">https://orcid.org/0000-0002-28186949</a>	Since 2020	Lifetime

## CURRICULUM VITAE

### Monograph, book chapters

1. Descarreault M, Lardon A, Bussières A. Développer des compétences transversales. Chap 3. Dans : Arnaud Delafontaine, Jérôme Frigout, Teddy Mayeko. Toutes les clés pour réussir en STAPS. Mention « Activité Physique Adaptée et Santé ». Elsevier Masson, France. Mars 2023, 232Pages | ISBN : 9782294776953 | EISBN : 9782294777189.
2. Grondin D, Berta W, **Bussières A**. Factors influencing research evidence use in the chiropractic profession: applying social identity, self-categorization and research utilization theories in the case of chiropractic in Canada. Book Chapter. In: Complementary and Alternative Medicine: Knowledge production and social transformation (Declined)
3. Roy J, **Bussières A**. Compendium de l'examen physique – Une évaluation de l'état général et du système neuro-musculo-squelettique. Presse de l'Université du Québec, Québec (Québec) 2008. ISBN: 978-2-7605-1522-2.
4. **Bussières A**, Capes M, Descarreaux, M, Guerriero R, Martel J, Moore M. Section eight: *Neuromusculoskeletal Diagnosis* in: Johnson C, green B, Davis J, Cleveland III C. Review Manual Part 1 and II of the national Board. Mosby-Elsevier. Print Book ISBN: 9780323031721 December 2005.

### Technical reports

1. Larivière C, Nastasia I, Corbière M, Truchon M, Côté D, Mathieu A, Dionne C, Gagnano A, Villotti P, Negrini A, **Bussières A**, Busque M-A, Lebeau M, Coutu M-F. (2021) Élaboration du contenu d'un site web portant sur l'incapacité et le retour au travail. Rapport de recherche R-1083fr, Institut de recherche Robert-Sauvé en santé et en sécurité du travail du Québec (IRSST), Montréal (2021) :89p. <https://www.irsst.qc.ca/media/documents/PubIRSST/R-1083-fr.pdf>
2. Kairy, D., **Bussières, A.**, Gagnon, C., Allaire, A.-S., Messier, F., Lamontagne, M.-E., Brière, A., Bérubé, M., Laramée, M.T., Lemay, J.F., Préville, K., Voyer, M. Évaluation des effets de l'implantation de quatre nouvelles pratiques cliniques en traumatologie dans leur milieu respectif. Consortium pour le développement de la recherche en traumatologie. AERDPQ-AQESSS 2012-2014.
3. Grimshaw, J, Worswick, J, Mayhew, A, Bennet, R., Fiander, M., Vachon, B., Wayne, C., Weir, M, Augustincic, L, **Bussieres A**, Cheung, A., Laberge, H., Pardo, J., and Silver, A. An Overview of Quality Improvement and Health System Interventions to Improve Diabetes Management and Outcomes. Ottawa, Canada: Ottawa Hospital Research Institute 2010.
4. Martel J, Hains F, **Bussières A**. Monographie - Prise en charge thérapeutique des lombalgies aiguës: État des connaissances scientifiques et recommandations. Subventionné par l'Ordre des Chiropraticiens du Québec (OCQ) 2000.

### Published abstracts

1. **Bussières A**, Al Zoubi F, Quon J, French S, Ahmed S, Thomas A, Stuber K, Sajko S. Fast tracking the design of theory-based KT interventions through a consensus process. The XIII International Back Pain Forum. Sept 30-Oct 3 2014, Campos do Jordao, Brazil.
2. **Bussières A**, Francis J, Patey A, Gagnon MP, Sales A, Eccles M, Lemyre L, Godin G, Grimshaw, J, Canada PRIME team. Identifying factors predictive of managing patients with low back pain without using x-rays among North American chiropractors: Applying psychological theories to evidence-based clinical practice. *BMJ quality & safety* 22(Suppl 1):A26-7.

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

3. **Bussières AE**, Grimshaw JM, Ramsay, T, Sales AE, Hilles S. Impact of guideline dissemination strategies among chiropractors enlisted in a Provider Network in the United States: Interrupted time series with segmented regression analysis. Guideline International Network (G-I-N) conference. Global Evidence. Berlin, Germany, August 2012.
4. **Bussières A**, Patey A, Francis J, Sales A, Grimshaw J. Identifying factors likely to influence compliance with diagnostic imaging guideline recommendations for spine disorders among chiropractors in North America: a focus group study using the Theoretical Domains Framework. 5th Annual NIH Conference on the Science of Dissemination and Implementation: Research at the Crossroads. Maryland, USA, March 2012.
5. **Bussières A**, Patey A, Francis J, Sales A, Grimshaw J. Identifying factors likely to influence compliance with diagnostic imaging guideline recommendations for spine disorders among chiropractors in North America: a focus group study using the Theoretical Domains Framework. 15th Interdisciplinary Conference of the GSAED, University of Ottawa, March 2012.
6. **Bussières AE**, Grimshaw JM, Ramsey T, Hiles S. Practice patterns and variations in spine x-ray ordering among chiropractors enlisted with a provider Networks offering complementary care in the United States. OHRI Research Day 2011, Ottawa Hospital Research Institute, Ontario. November 2011.

Identifying factors likely to influence the use of diagnostic imaging guidelines for spine disorders among chiropractors' in North America. Conference Proceedings of the Melbourne International Forum XI Primary Care Research On Low Back Pain. Melbourne, Victoria, Australia 2011, P.140.
8. French S, Foster, N, **Bussières A**, Sanders T. Troublesome translation: designing implementation interventions to improve the management of low back pain in primary care. Conference Proceedings of the Melbourne International Forum XI Primary Care Research On Low Back Pain. Melbourne, Victoria, Australia 2011, P.38.
9. **Bussières A.E**, Laurencelle L, Peterson C. Diagnostic imaging guidelines implementation study: A randomized trial with postal follow-ups. J Chiropractic Edu 2009; 23(1): p. 61.

**Publications in professional journals**

1. **Bussières A**. Spinal manipulation therapy and other conservative treatments for low back pain: A clinical practice guideline from the Canadian Chiropractic Guideline Initiative. BACK Matters - Canadian Chiropractic Association. Winter 2018:
2. **Bussières A**, Owens, H. Announcing a New CCGI Video Series for 2017 (April 2017)
3. **Bussières A**. CCGI exercise videos series based on neck pain, whiplash guidelines (Feb 09 2017) : <http://www.canadianchiropractor.ca/education/ccgi-launches-exercise-videos-based-on-neckpain-whiplash-guidelines-4571#sthash.XIAF4smc.dpuf>
4. **Bussières A**. Evidence-informed practice in Canada gains momentum. BACK Matters - Canadian Chiropractic Association. Winter 2016: 13.
5. **Bussières. A**. Researcher Profile. CCRF magazine. September 2016
6. **Bussières A**. Canadian Chiropractic Guideline Initiative Translating Evidence into Clinical Practice. BACK Matters - Canadian Chiropractic Association. Winter 2015: 24-7.
7. **Bussières A**. Follow the evidence – Quality care through research-based clinical practice. Canadian Chiropractor. September 2015: 18-20.

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

**Creative Outputs - Diffusion and knowledge translation tools (Total: 13)**

**CCGI website**

**Bussières A**, Weatherall V, and The Canadian Chiropractic Guideline Initiative (CCGI). Available at: <http://www.chiroguidelines.org>. Launched on Sept 9, 2014; Translated in French in Feb 2015.

**CCGI videos series**

1. Poulin C, Richer N, **Bussières A**, Castle K, Moser N, CCGI team, UQTR. CCGI exercise videos on acute and chronic shoulder pain (Sept 2019):  
<https://www.youtube.com/channel/UCduMXDBP76INn85II9fQ3qg/featured>
2. **Bussières A**, Poulin C, Richer N, Connell G, Stuber K, Angier E, CCGI team, UQTR. CCGI exercise videos on acute and chronic low back pain (Sept 2018):  
<https://www.youtube.com/channel/UCduMXDBP76INn85II9fQ3qg/featured>
3. **Bussières A**, Poulin C, Richer N, CCGI team, UQTR. CCGI exercise videos on acute and chronic neck and shoulder pain (Sept 2017):  
<https://www.youtube.com/channel/UCduMXDBP76INn85II9fQ3qg/featured>

**CCGI webinar series**

- 1: [Neck Pain and Whiplash Associated Disorders and quiz](#). (Presenters: Dr. David Whitty, Dr. Joel Weisberg, Moderator: **A. Bussières**)  
[Evidence-Informed Practice webinar and quiz](#) (Presenter: Dr. Shawn Thistle, Moderator: **A. Bussières**)
- 2: [Neck Pain webinar and quiz](#) (Presenter: Dr. Shawn Thistle, Moderator: **A. Bussières**) 3: [Self-Management Strategies webinar and quiz](#) (Presenter: Dr. Connie Davis, Moderator: **A. Bussières**)

**CCGI interactive online learning modules (CEConnect)**

1. Neck Pain and Whiplash Associated Disorders (22 min)
2. The Brief Action Planning, a self-management strategy (22 min)
3. Evidence-Informed Practice (25 min)

**CCGI interviews on YouTube channel**

1. "What is Evidence-Informed Practice?"
2. "Using clinical practice guidelines in daily practice"
3. "Advancing the Chiropractic Profession in Canada"
4. "Opinion Leaders"
5. "Introducing the CCGI website"

**JMPT slideshow: Treatment of NAD and WAD. A clinical practice guideline**

Bussières A and The CCGI:

### Unpublished papers

1. Dober-Dessureault I, **Bussières A**, Bronchti G. Validity of orthopedic tests to diagnose thoracic outlet syndrome: A diagnostic accuracy study. *Archives Phys Med* (May 2018)
2. Messier F, **Bussières A**, Grushka J, Lee L, Rodrigue N, Tze N, van den Broek N, Lamontagne ME. Implementation of an evidence-based clinical protocol in traumatology: a social return on investment (SROI) analysis of clinical and organizational value creation. Study protocol. *International Journal of Public Sector Performance Management (IJPSPM)* (Submitted Sept 12 2020)
3. **Bussières A**, French S, Ammendolia C, Grimshaw J. Lumbar spine x-ray utilization for low back pain in primary care. A systematic review (Protocol, 2012) Role in the publication: AB designed the protocol. All authors reviewed the manuscript
4. **Bussières A**, Ammendolia C, French S, Grimshaw J. Lumbar spine radiography in primary care. Determining appropriate utilization rate for low back pain (2012).
5. O'Shaughnessy J, **Bussières A**, Peterson C. The Relationship Between Clinical Decision Making and Diagnostic Spinal X-Ray Practice Guidelines in a Chiropractic Teaching Clinic. (Study completed and submitted to JMPT in 2008- rejected)
6. **Bussières A**, S. Mior, J. Waalen, M. Frazer. (1993). Cervical Motion and Muscle Function Measurements: A Comparative Study of Symptom Free and Neck Pain Patients. In collaboration with Waterloo University, department of biomechanics. Role in the publication: AB and SM conceived study, AB conducted study and collected data, JW analysed data; AB, SM and JW interpreted data. AB wrote 1<sup>st</sup> draft.
7. **Bussières A**, M. Kennedy, L. King, A. Korda, D. Mathiesen and R. Gates. (1990). *An Investigation of the Effect of a Chiropractic Adjustment Upon the Sagittal Mobility in the Lumbar Spine*. Canadian Memorial Chiropractic College, Toronto.

### RECOGNITIONS - COMPETING AWARDS AND PRIZES

2026 Nominated - Researcher of the Year, Canadian Chiropractic Association (CCA)

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

- 2024 Sheikh Zayed International Award for Traditional, Complementary & Alternative Medicine (TACM) 2024 (Chiropractor - Academic). Lotus Holistic Institute, Abu Dhabi, United Arab Emirates, December 11, 2024.
- 2022 Ronald Melzack – Canadian Journal of Pain Paper of the Year Award. *Augeard N, Bostick G, Miller J, Walton D, Tousignant-Laflamme Y, Hudon A, Bussières A, Cooper L, McNiven N, Thomas A, Singer L, Fishman SM, Bement MH, Hush JM, Sluka KA, WattWatson J, Carlesso LC, Dufour S, Fletcher R, Harman K, Hunter, Ngomo S, Pearson N, Perreault K, Shay B, Stilwell P, Tupper S, Wideman T. (2021) Development of a National Pain Management Competency Profile to Guide Entry-level Physiotherapy Education in Canada, Canadian Journal of Pain, 2022;6(1):1-11. DOI: 10.1080/24740527.2021.2004103 <https://www.tandfonline.com/doi/full/10.1080/24740527.2021.2004103> (Award April 2023)*
- 2022 Best article of 2021 voted by the Editorial Board of Chiropractic Manual Therapy. *Côté, P., et al. (2021). The global summit on the efficacy and effectiveness of spinal manipulative therapy for the prevention and treatment of non-musculoskeletal disorders: a systematic review of the literature. Chiropractic & manual therapies, 29(1), 8. <https://doi.org/10.1186/s12998-021-00362-9>*
- 2019 Silver Quill award, Canadian Physiotherapy Association (Awarded May, 2019). Wideman T, Miller J, Thomas A Bussières A, Bostick, G *Advancing Pain Education in Canadian Physiotherapy Programmes: Results of a Consensus-Generating Workshop Volume 70, 1st Edition. Winter 2018*
- 2019 Finalist in the 2019 Haldeman award competition. (Nominated, March 2019) Bussières A, Stewart G, Ornelas J, et al. *The conservative management of spinal stenosis: A clinical practice guideline and Best Practice Document. A joint collaboration of the Canadian Chiropractic Guideline Initiative and Bone and Joint Canada. 15th World Federation of Chiropractic Biennial Congress - 2019 European Chiropractors' Union Convention. Berlin, Germany, March 20-23 2019.*
- 2018 Researcher of the Year, Canadian Chiropractic Association (CCA)
- 2017 Leadership Award, CMCC Partnership Appreciation Day
- 2017 Best article of 2017 voted by the Editorial Board of Chiropractic Manual Therapy. *(Beliveau P, Wong JJ, Sutton DA, Simon NB, Bussières AB, Mior SA, French SD. The chiropractic profession: a scoping review of utilization rates, reasons for seeking care, patient profiles, and care provided. Chiropr Man Therap 2017;25:35:1-17).*
- 2012-2018 Canadian Chiropractic Research Foundation (CCRF) Professorship in Rehabilitation Epidemiology, McGill University (\$300,000), UQTR (\$200,000)
- 2018 SPOT Awards Committee nomination for the Carrie M. Derick Award for Graduate Supervision and Teaching, Faculty of Medicine, McGill University
- 2012 Médaille de distinction chiropratique 2012, Ordre des Chiropraticiens du Québec
- 2010-2012 CHIR Fellowship Award (Health Professional) in the Area of Primary Care (\$110,000)
- 2010-2012 KT Canada PhD Student Fellowship award (\$35,000)
- 2012 15th Interdisciplinary Conference of the GSAED, University of Ottawa – *Best presentation*
- 2009 Canadian Chiropractic Association - *Young Investigator Award*
- 05/2009 Second prize, European Chiropractic Union (ECU) convention. Sardinia, Suisse. Bussières AE, Laurencelle L, Peterson C. *Diagnostic imaging guidelines implementation study: A randomized trial with postal follow-ups.*
- 03/2009 Award paper, Association of Chiropractic Colleges Educational Conference (ACC-RAC), National Board of Chiropractic Examiners. ACC-RAC XVI – Las Vegas (USA):

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

- Bussières AE, Laurencelle L, Peterson C. *Diagnostic imaging guidelines implementation study: A randomized trial with postal follow-ups.*
- 2010-2012 Excellence scholarship, PhD Population Health program. Faculty of Postgraduate Studies, University of Ottawa.
- 2008-2010 Admission scholarship, PhD Population Health program. Faculty of Postgraduate Studies, University of Ottawa.
- 1991 Summa cum laude and Clinic honours, Doctorate of Chiropractic, CMCC.

**AWARDS, SCHOLARSHIPS, FELLOWSHIPS RECEIVED by STUDENTS I SUPERVISE**

Supervisor, Cosupervisor	Student Name (Their Last name, First Name)	Funding Agency & Award details	Funding Period	Annual funding Amount
Thomas A, Bussières A	Marco Zaccagnini	2025 Gevorg Chilingaryan Award	Nil	
Ian Graham Thomas A, Bussières A	Marco Zaccagnini	Banting Postdoctoral Fellowship	February 2024	\$70,000/yr x 2 years
Thomas A, Bussières A	Marco Zaccagnini	2022 NBRC Frederic Helmholtz, Jr., MD Educational Research Fund - American Respiratory Care Foundation (ARCF)	August 2022	\$5,000
Bussières A, Ahmed S	Dina Gaid	2021 Gevorg Chilingaryan Award of Excellence	May 2021	\$2000
Thomas A, Bussières A	Marco Zaccagnini	FRQS PhD Scholarship	June 2022-2025	\$35,000
Thomas A, Bussières A	Marco Zaccagnini	2021 Margherita Rapagna Memorial Prize in Rehabilitation Science	May 2021	
Dahan-Oliel N, Bussières A	Cassandra Lee	Medicine Research Bursary	May-August 2021	\$3,200
Bussières A, Ahmed, S	Dina Gaid	Richard & Edith Strauss Foundation – PhD Fellowship	Oct 2016-Oct 2017	\$35,000
Bussières A, Mayo, N	Fadi Al Zoubi	Richard & Edith Strauss Foundation – PhD Fellowship	Oct 2016-Oct 2017	\$35,000
Thomas, A Bussieres, A	Halle, MarieChristine	Richard and Edith Strauss Postdoctoral Fellowship in Medicine	April 2016-April 2017	\$35,000
Thomas, A Bussieres, A	Halle, MarieChristine	Prix d'excellence en recherche, Catégorie "Chercheur en début de carrière" provided by the International Conference on Speech Language Pathology and Audiology	2016-2017	\$500

**RESEARCH GROUPS - Member**

- Jan 2013- Groupe de recherche sur les affections neuro-musculo-squelettiques (GRAN), UQTR
- Jan 2021- Chaire de recherche internationale en santé neuromusculosquelettique de l'UQTR
- Sept 2019-25 Réseau intersectoriel de recherche en santé de l'Université du Québec (RISUQ)
- March 2013-24 Réseau Provincial de Recherche en Adaptation – Réadaptation (REPAR), FRQS
- Dec 2013-24 Centre de Recherche Interdisciplinaire en Réadaptation du Montréal Métropolitain (CRIR), McGill University
- March 2017- Collège Électoral : Programme Sciences Biomédical, Université de Montréal, UQTR

**RESEARCH FUNDING (Research Groups):**

1. obtained: CAD \$56,256 (\$18,750/year x 3 years)  
 Title: Groupe de Recherche sur les Affections Neuro-Musculosquelettiques (GRAN). PI: Sobczak S, Co-PI: Abboud J, Co-I: Descarreaux M, Fait P, **Bussières A**, Cantin V, Pagé, I.  
 Funding Source: Fond Institutionnel de Recherche (FIR). Soutien à l'Infrastructure des Groupes de Recherche. Université du Québec à Trois-Rivières (competitive) Support Period: 2022 to 2026
  
2. Total obtained: CAD \$81,000 (\$27,000/year x 3 years)  
 Title: Groupe de Recherche sur les Affections Neuro-Musculosquelettiques (GRAN). PI: Descarreaux M, Co-PI: Sobczak S, Co-I: Fait P, **Bussières A**, Cantin V.  
 Funding Source: Fond Institutionnel de Recherche (FIR). Soutien à l'Infrastructure des Groupes de Recherche. Université du Québec à Trois-Rivières (competitive) Support Period: 2018 to 2021
  
3. Total obtained: CAD \$1,596,426 (\$266,071/year over 6 years)  
 Title: The Canadian Chiropractic Guideline Initiative  
 Project lead: **Bussières A**, Collaborators: 32-member committee of the Canadian Chiropractic Guideline Initiative  
 Funding Source: Canadian Chiropractic Research Foundation (non-competitive) Support Period: 2012 to 2018
  
4. Total obtained: CAD \$56,400 (\$18,800/year x 3 years)  
 Title: Groupe de Recherche sur les Affections Neuro-Musculosquelettiques (GRAN). PI: Descarreaux M, Co-I: Fait P, **Bussières A**, Cantin V, Dugas C, Boivin K.  
 Funding Source: Fond Institutionnel de Recherche (FIR). Soutien à l'Infrastructure des Groupes de Recherche. Université du Québec à Trois-Rivières (competitive) Support Period: 2014 to 2018
  
5. Total obtained: CAD \$70,000 (35,000 x 2 years)  
 Title: Réseau Québécois pour la Recherche Clinique en Chiropratique (RQRCC)  
 Funding source: Fondation de Recherche Chiropratique du Québec (non-competitive) Principle applicants: Mathieu Piché, **Bussières A**. Co-I. Martel J, Normandeau P. Dhopte P. Support period: 2015-2017
  
6. Total obtained: CAD \$49,560 (24,780/year x 2 years)  
 Title: Quebec Knowledge Translation in Rehabilitation Strategic Initiative.

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

PI: Thomas A, Kairy D, Co-I: Ahmed S, Anaby D, **Bussières A**, Rochette A, Shikako-Thomas K, Camden C.

Funding Source: Réseau Provincial de Recherche en Adaptation Réadaptation (REPAR)

Support Period: 2018-2020

7. Total obtained: CAD \$20,000

Title: Quebec Knowledge Translation in Rehabilitation Strategic Initiative.

PI: Thomas A, Kairy D, Co-I: Ahmed S, Anaby D, **Bussières A**, Rochette A, Shikako-Thomas K

Funding Source: Réseau Provincial de Recherche en Adaptation Réadaptation (REPAR)

Support Period: 2014-2015

**RESEARCH (Contract)**

8. Total obtained: CAD \$60,000

Title : Évaluation des effets de l'implantation de quatre nouvelles pratiques cliniques en traumatologie dans leur milieu respectif.

PI : Lamontagne ME, Co-I: Kairy D, **Bussières A**, Ahmed S, Zidarov D. Mandatés pour réaliser Funding : Comité directeur de la recherche en traumatologie INESSS, Consortium pour le développement de la recherche en traumatologie (incl. indirect costs) Support Period: 2015-2017

**RESEARCH FUNDING (Research Projects):**

1. Submitted (CAD \$25M)

Title: Transforming Health Services, Policy and Education: Leveraging Rehabilitation to Respond to Canada's Shifting Healthcare Needs.

Nominated PA: Thomas A.

CoPA: Bussières A; Stake-Doucet, N; Orsini; Letts L; Ahmed S; Whitehead C; Contandriopoulos D; Kehayia E; Côté P; Mendlowitz A; Hart M.

CoAP: 30 co-Applicants and 28 national and provincial collaborators.

New Frontier Research Funds – Transformation (NFRF-T) Subvention grant, Spring 2026

Support Period: 6 years

2. Submitted (CAD \$840 000)

Title: Advancing equitable oral healthcare through Teledentistry: An implementation study

Nominated PA: Pascaline Kengne Talla

CoPA: André Bussières, David Labbé, Sharon Strauss and Carrasco-Labra Alonso

CoAP: Véronique Nabelsi, Elham Emami, Camile Pereira, Elis Batistella, Paul Allison, Pierre-Luc Michaud, Shauna Hachey, Noha Goma and Nadia Gargouri

Collaborators: Astha Shah, Amy Mihaljevich, Sanches Rodrigo, Abby Degaust, Annie Deguire, Rafael Figueiredo, Ana Paula Mendes-Silva, Michelle Zwicker, Stéphanie Morneau

CIHR Subvention grant, Spring 2026

Support Period: 60 months

3. Obtained: CAD 99 823\$

Programme: KBHN - Implementation (2025-2026).

Title: Implementing BRIGHT Coaching within Canada: Exploring Sustainable Models for Waitlist Support.

Principle investigator: Tatiana Ogourtsova

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

Co-investigators: Annette Majnemer, Ana Hanlon Dearman, André Bussières, Maureen O'Donnell, Carrie Costello, Hana MacDougall, Monica Vaillancourt, Mandu Young, Tamlyn Smith, Ifeoma Okworr, Alison Mounsey, Shron McCarry, Tracey Kolbauer,  
Funding Source: Kids Brain health network (KBHN) 2025-2026  
Support Period: 24 months

4. Obtained: CAD 10 000\$  
Programme: Subvention de démarrage - Concours 2025-2026.  
Title: Musculoskeletal pain and First Nations Peoples in Canada: An indigenous conversational and storytelling methodology.  
Principle investigator: Jennifer Ward  
Co-investigators: Steve Passmore, André Bussières  
Funding Source: Canadian Chiropractic Research Foundation (CCRF): Number: 2025-02  
Durée de la subvention: 12 months

5. Obtained: CAD 10 000\$  
Programme: Subvention de démarrage - Concours 2025-2026.  
Title: Musculoskeletal pain and First Nations Peoples in Canada: a Scoping Review using a critical participatory decolonizing methodology  
Principle investigator: Jennifer Ward  
Co-investigators: Steve Passmore, André Bussières  
Funding Source: Canadian Chiropractic Research Foundation (CCRF): Number: 2025-01  
Durée de la subvention: 12 months

6. Obtained: CAD 15 000\$  
Programme: Subvention de démarrage - Concours 2025-2026.  
Titre: Repenser les trajectoires de soins pour la lombalgie : Un corridor de soins alternatif en réponse aux défis d'accessibilité.  
Chercheuse principale: Andrée-Anne Marchand  
Co-chercheur.se.s: Martin Descarreaux, Magali Brousseau-Foley, André Bussières, Marie Beauséjour  
Collaboratrices: Julie O'Shaughnessy, Geneviève Côté, Josée Bourrassa  
Durée de la subvention: 18 mois

7. Obtained (€ 15,000)  
Title: L'âgisme dans l'expérience de santé et le parcours de soins des personnes âgées atteintes de lombalgie chronique. PI: Rolland C, Co-PI: Delpierre C, **Bussières A**, collectif de 5 équipes de recherche (n=17 chercheurs) et de 3 associations en France.  
Funding Source: UMR 1295 INSERM - Université Toulouse III  
Support Period: 2024-2025

8. Total obtained: CAD \$10,000  
Title: Reducing Emergency Department Visit for Spine Pain at Cross Lake Nursing Station.  
Principal Applicant: World Spine Care Canada.  
Principal Investigator: Passmore S, Co-PI: Moss J, Hamilton H, Ward J, Scott M, and collaborators.  
Funding Source: Healthcare Excellence Canada | Grant Request | 22696844 (Competitive)  
Support Period: July 2025-2026.

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

9. Total obtained: CAD \$50,000

Title: Strengthening Primary Care in Northern, Rural and Remote Communities Program on behalf of Cross Lake Band Health Service

Principal Applicant: World Spine Care Canada.

Principal Investigator: **Bussières A**, Co-PI: Passmore S, Haldeman S, Moss J, Kopansky-Giles D, Tavares P, Ward J, Glazebrook C, Myers J, and collaborators.

Funding Source: Canadian Chiropractic Association (noncompetitive)

Support Period: April 2024-2025.

10. Total obtained: CAD \$400,000 (requested (\$750,000))

Title: INtegrated Smart ImplemeNtation of Care (INSINC) in Rehabilitation.

Principle Investigator: Ahmed, S.

Principle Applicants: Auger, C; Lattas, M; Thomas, A

CoApplicants: Allegue, D; Barclay, RE; Bellefeuille, E; Berta, WB; Boudrias, M; BrownJohnson, AM; **Bussières, A**; Couturier, Y; Dubé, L; Durand, A; Giroux, C; Kairy, D; Laberge, M; Laurin, S; Li, LC; Mckerral, M; Ogoursova, T; Poncet, F; Salbach, N; Zidarov, D

Collaborators: Archambault P., Butler B., Dickson D., Groulx A., Hudon C., Oh P.

Funding source: IRSC - Project Grant: Fall 2024 competition

Support Period; February 2025-2029

11. Total obtained: CAD \$50,000

Title: Strengthening Primary Care in Northern, Rural and Remote Communities Program on behalf of Cross Lake Band Health Service

Principal Applicant: Atkinson-Graham M, Hamilton H.

Investigators: **Bussières A**; GSCI team

Funding Source: Healthcare Excellence Canada

Support Period: November 2023-2024.

12. Total obtained: CAD \$120,000

Title: CHILD-BRIGHT Coaching: Moving toward implementation of a virtual coaching program for caregivers of young children with suspected developmental delays

Principal Investigator: Annette Majnemer, Maureen O'Donnell, Kristy Wittmeier, Andre Bussieres, Jillian Filliter

Funding Source: Montreal Children's Foundation Hospital

Support Period: Aug 2023-2024

13. Total obtained: CAD \$69,785

Title: Understanding the roles of self and society in pain-related suffering and empowering people living with pain to shape novel research on their lived experience.

Principal Investigator: Stilwell P; Co-Applicants: Wideman TH, Pagé MG, Hudon A, Gallagher S, **Bussières A**; Collaborators: Meldrum K, McIntyre V.

Funding Source: Social Sciences and Humanities Research Council (SSHRC) – Insight Development Grant (IDG)

Support Period: June 2023-2025.

14. Total obtained: CAD \$96,460 (HK \$548,978)

Title: Informing and theoretically designing implementation strategy for an adapted clinical practice guideline for treating knee osteoarthritis patients among physiotherapists

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

Aim: to develop implementation strategies for the adapted recommendations targeting physiotherapists who manage patients with knee osteoarthritis.

Principal Applicant: Al Zoubi F, Co-Ap: Thomas A, **Bussières A**, Wong A,

Funding Source: Health and Medical Research Found, Hong Kong (Grant: 20211271)

Support Period: March 2023- Sept 2024

15. Total obtained: CAD \$580,369 (\$815,332)

Title: Reducing barriers to conservative spine care to minimize opioid exposure: A global spine care implementation project: A Global Spine Care Initiative (GSCI) implementation project.

Aim: To determine the feasibility to implement an evidence-based model of spine care and reduce opioid prescribing in underserved communities in northern Canada. The project will strengthen the workforce and improve the way people with spine problems or concerns are triage, appropriately referred if further evaluation and treatment are necessary, and care for using simple accessible nonsurgical approaches known to work such as education and advice on self-care and exercise, medication, and/or manual therapy where available.

Principal Investigator: **Bussières A**, Co-PI: Passmore S, Principal Applicants: Haldeman S, Nordin M, Co-investigators: Hurwitz E, Kopansky-Giles D, Tavares P, Carroll L, Woolf AD, Setlhare V, Mullerpatan R, Ward J, Johnson M, Fowler M. and collaborators.

Funding Source: Substance Use and Additions Program SUAP team at Health Canada (competitive; Agreement # 2223 HQ 000126): <https://www.canada.ca/en/health-canada/services/substance-use/canadian-drugs-substancesstrategy/funding/substance-use-addictions-program.html>

Support Period: April 2022-2024

4. Total obtained: CAD \$45,000

Title: Identifying spine care needs and perceived barriers to accessing evidence-based spine care in northern Manitoba, Canada: A Global Spine Care Initiative (GSCI) implementation project protocol

Aim: To determine the feasibility to implement an evidence-based model of spine care in underserved communities in Botswana, India, and northern Canada. The project will strengthen the workforce and improve the way people with spine problems or concerns are triage, appropriately referred if further evaluation and treatment are necessary, and care for using simple accessible nonsurgical approaches known to work such as education and advice on self-care and exercise, medication, and/or manual therapy where available.

Principal Investigator: **Bussières A**, Co-PI: Passmore S, Principal Applicants: Haldeman S, Nordin M, Co-investigators: Hurwitz E, Kopansky-Giles D, Tavares P, Carroll L, Woolf AD, Setlhare V, Mullerpatan R, Ward J, Johnson M, Fowler M. and collaborators.

Funding Source: Canadian Chiropractic Research Foundation (competitive): <https://www.canadianchiropracticresearchfoundation.ca/comer-celebrates-canadian-research-innovation-with-five-new-project-grants/>

Support Period: 2021-2023

5. Total obtained: CAD \$150,000

Title: Identifying spine care needs and perceived barriers to accessing evidence-based spine care in northern Manitoba, Canada: A Global Spine Care Initiative (GSCI) implementation project protocol  
Principal Investigator: **Bussières A**, Co-PI: Passmore S, Principal Applicants: Haldeman S, Nordin M, Co-investigators: Hurwitz E, Kopansky-Giles D, Tavares P, Carroll L, Woolf AD, Setlhare V, Mullerpatan R, Ward J, Johnson M, Fowler M. and collaborators.

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

Funding Source: Canadian Chiropractic Association (match founding)  
Support Period: 2022-2026

6. Total obtained: CAD \$124,968.51

Title: World Health Organization, 2022. Supply of systematic evidence syntheses to inform the WHO Guidelines on the Management of Chronic Primary Low Back Pain in Adults

Aim: to conduct a series of systematic reviews on exercise, TENS, acupuncture, education/advice to inform the development of a WHO clinical practice guideline recommendations on the management of low back pain in adults.

Principal Investigator: Cancelliere C (PI), Tricco AC, Mior S, Bussières A, Hincapié C, Brunton G, Gross D, Pereira P, Nordin M, Cedraschi C, Chihambakwe M.

Funding source: World Health Organization

Support period: Dec 2021-Dec 2022

7. Total obtained: \$15,000

Title: Identification des obstacles potentiels et des facteurs facilitants à l'utilisation des données probantes et des recommandations issues des guides de pratique clinique au cours de la formation des futurs chiropraticiens.

Aim : to explore the level of knowledge and self-capacity, and obstacles related to the adoption of clinical guideline recommendations targeting self-management support strategies, among supervising clinicians and interns working at the two affiliated outpatient clinics at l'Institut Franco Européen de Chiropraxie (IFEC) in France and their patients with spinal pain.

PI. André Bussières, Co-PI: Arnaud Lardon, Co-investigator and MSc student: Sylvain Pigeon

Funding source: Programme d'Aide à l'Internationalisation de la Recherche (PAIR), Université du Québec À Trois-Rivières.

Support period: April 2021-April 30 2022

8. Total obtained: \$15,000

Title: Identification des obstacles potentiels et des facteurs facilitants à l'utilisation des données probantes et des recommandations issues des guides de pratique clinique au cours de la formation des futurs chiropraticiens.

Aim: to explore the level of knowledge and self-capacity, and obstacles related to the adoption of clinical guideline recommendations targeting self-management support strategies, among supervising clinicians and interns working at the university chiropractic clinic (CUC) of UQTR and their patients with spinal pain.

PI. Jocelyn Lemire, Co-PI: **André Bussières**, Co-investigator: Arnaud Lardon.

Funding source: Fond pour la Recherche Clinique, Université du Québec À Trois-Rivières.

Support period: Feb 2021-Jan 2022

9. Total obtained: \$365,000 (\$120,870.00/year)

Title: Improving pain education across entry-level physiotherapy programs in Canada: An integrated knowledge translation study.

Aim: to explore barriers and facilitators to integrating internationally recommended guidelines in PT education, to create a new assessment tool to evaluate pain management competency across Canadian PT programs, and to use this tool to determine the relationship between the extent international guidelines are integrated within PT programs and pain management competency at graduation.

Principle Applicant: Wideman T, Co-PI: Miller J, CoA: Bostick G, Tousignant-Laflamme Y, Walton D, **Bussières A**, Thomas A, St-Onge C, Hudson A.

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

Funding source: Canadian Institute Health Research (CIHR).  
Support period: 01/04/2019 to 31/03/2026

10. Total obtained: CAD \$12,000  
Title: Recruitment, adherence to protocol, and retention rates among MSDs rehabilitation practitioners in KT trials: Systematic review.  
PI: **Bussières A**, Gaid D, Ahmed S.  
Funding Source: Richard & Edith Strauss Foundation – KT research  
Support Period: March 2020-March 2021

11. Total obtained: CAD \$12,000  
Title: Developing Arthrogyriposis Rehabilitation Expert guidance (DARE): Towards best practice for evaluation and treatment.  
PI: Dahan-Oliel N, Checho S, **Bussières A**, Hamdy R, Amcsi A, Descoteaux N, Fafara A, Lacombe F.  
Funding Source: Richard & Edith Strauss Foundation – KT research  
Support Period: March 2020-March 2021

12. Total obtained: CAD \$12,000  
Title: Are we meeting the needs of elderly with multimorbidity receiving home-care rehabilitation after being discharged from a post-acute care facility.  
PI: **Bussières A**, Chasse K, Renaud MJ, Zidarov D.  
Funding Source: Richard & Edith Strauss Foundation – KT research  
Support Period: March 2020-March 2021

13. Total obtained: CAD \$2,427  
Title: Features of scholarly practice in health care professionals: a scoping review.  
PI: Thomas A, Zaccagnini M, **Bussières A**, Boruff J.  
Funding Source: Richard & Edith Strauss Foundation – KT research  
Support Period: March 2020-March 2021

14. Total obtained: CAD \$250,000 (\$83,333 per year)  
Title: Reducing wait times, opioid prescriptions and imaging rates for acute and chronic spine pain patients: A university-hospital based chiropractic clinic implementation project.  
Aim: To understand potential barriers to managing spine pain patients without opioid and spine imaging, and main factors related to referring these patients to hospital-based chiropractic care, and to evaluate the impact of a KT interventions combined with guideline informed chiropractic care on reducing ED and SAC opioid and diagnostic imaging prescriptions, ED wait-time, and patient health outcomes.  
PI: Steve Passmore, (Co-PI), **Bussières A**, (Co-A) Haldeman S, Stewart G, Johnson MG. (CI)  
Funding Source: Canadian Chiropractic Research Foundation (CCRF)  
Support Period: December 2019-Dec 2023

15. Total obtained: CAD \$294,332 (requested \$300,000)  
Title: Evolution of evidence-based practice: evaluating the contribution of individual and contextual factors to optimize patient care.  
Aim: To identify and understand how changes to professional curricula, contextual (organization) and individual factors influence EBP (use of EBP, EBP knowledge, attitudes towards EBP,

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

confidence in applying EBP) in rehabilitation professionals, and how these change with transition from academic training to clinical practice and over time.

Principal applicants: Thomas A, Macdermid J; Polatajko H, Salbach N, Letts L, Ahmed, Rochette A, **Bussières A**, Lettes L, Mayo N.

Funding Source: CIHR- Operating Grant 2016-07-15

Support Period: 2016-2022

16. Total obtained: CAD \$25,000

Title: Operationalizing ‘whole person’ pain care and the development of clinical resources.

PI: Stilwell Peter (Co-I), Widman T, Hudon A, **Bussières A**,

Funding Source: Canadian Chiropractic Research Foundation (CCRF)

Support Period: December 2019-January 2021

17. Total obtained: CAD \$20,000

Title: Motor control exercise training for pregnant women with lumbopelvic pain: a pilote randomized controlled trial.

PI: Ruchat S-May (Co-I), Descarreaux M, **Bussières A**, O’Shaughnessy J.

Funding Source: Réseau Provincial de Recherche en Adaptation Réadaptation- Fonds de la recherche en santé du Québec (REPAR-FRQ-S)

Support Period: March 2019-April 2020

18. Total obtained: CAD \$11,986

Title: Étude de portée et développement d’outils d’évaluation pour transférer une intervention clinique en déficience physique (cirque social) en différents milieux.

Aim: Développer des outils en transfert de connaissances pour permettre l’implantation de la pratique du « Cirque social en réadaptation » comme intervention clinique novatrice auprès des jeunes adultes avec déficiences physique, afin de faciliter leur transition de l’école vers la vie active adulte.

Principal applicants: **Bussieres A**, Swaine B. Project lead: Loïselle P, Co-I: Shikako Thomas DK, Aubertin P, Bochud E, Belzile S, Parisien M.

Funding Source: Richard & Edith Strauss Foundation – KT research (competitive)

Support Period: 10 April 2019-1 June 2020

19. Total obtained: CAD \$11,530

Title: Évaluation de l’implantabilité de guides de pratiques cliniques: Quels sont les meilleurs outils?

Aim: Determine best practices in guideline implementability

PI: **Bussières A**, Lamontagne ME, Project Leader: Mrs. Voyer

Funding Source: Richard & Edith Strauss Foundation – KT research (competitive)

Support Period: April 10 2019-April 2020

20. Total obtained: CAD \$11,999.54

Title: A nation-wide environmental scan of human agents training

Aim: Establish a portrait of knowledge brokers working environment in rehabilitation settings across Canada

PI: **Bussières A**, Ahmed S. Project Leader: Gaid D, Co-I: Laramée MT, Thomas A.

Funding Source: Richard & Edith Strauss Foundation – KT research (competitive)

Support Period: April 10 2019-April 2020

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

21. Total obtained: CAD \$9,000

Title: Promoting the use of a self-management strategy among novice chiropractors treating individuals with spine pain: A mixed methods pilot cluster-clinical trial. Aim: To evaluate the feasibility to implement a theory based educational intervention in an academic setting.

PI: **Bussières A**, Project Leader: Eilayyan O. Co-I: Thomas A, Al Zoubi F, Tibbles A, Jacobs C, Ahmed S.

Funding Source: Richard & Edith Strauss Foundation – KT research (competitive)

Support Period: March 2018-August 2019

22. Total obtained: CAD \$10,000

Title: Developing a stakeholder endorsed methodology to measure the outcomes of pain education in Canadian physiotherapy programs

Aim: To improve how entry-level physiotherapists in Canada understand and manage pain by integrating international guidelines on pain education within Canadian physiotherapy programs.

Principal applicant: PIs: Miller, G, Co-A: Bostick GP, Wideman TH; Co-I: Bhanji F, **Bussières A**, Tousignant-Laflamme Y, Walton D, Thomas A.

Funding Source: CIHR Planning and Dissemination Grants

Support Period: Dec 2017- Nov 2018

23. Total obtained: CAD \$10,000

Title: Knowledge of and adherence to radiographic guidelines for low back pain: a study of Newfoundland and Labrador chiropractors and their patients.

Aim: To assess the knowledge of and adherence to clinical practice guidelines for the use of lumbar radiography and explore barriers and facilitators to guideline uptake among NL chiropractors. Secondary aim is to investigate the expectations, experiences and views of NL chiropractic patients who have received treatment for low back pain as well as exploring potential barriers to guideline adherence.

Principal applicant: De Carvalho D, Co-PI: D. Wade, CO-I: Budgell K, Break-Patten D, O’Keefe L, Thorne B, Elliot B, **Bussières A**, Hall A.

Funding source: NL SUPPORT Clinician / Allied Health Professional Led Patient-Oriented Research Grants Competition.

Support period: Dec 1<sup>st</sup> 2017-Nov 28 2018

24. Total obtained: CAD \$449 661 sur 3 ans (\$149,887 par année)

Title : mATrICES-F : ApplicaTIon des Connaissances axée sur le gEnre et le Sexe des personnes en contexte Francophone.

Aim:

Principal applicant: France Légaré (Candidate principale désignée); Hélène Lee-Gosselin (Candidate principale); André Bilodeau (Utilisateur de connaissances principal); Francine Borduas

(Utilisatrice de connaissances); Estelle Ethier (Utilisatrice de connaissances); Isabelle Samson (Utilisatrice de connaissances); Valérie Borde (Utilisatrice de connaissances); Isabelle Auclair (Cocandidate); André Bussières (Co-candidat); Chantal Camden (Co-candidate); Sophie Desroches (Co-candidate); Maman Joyce Dogba (Co-candidate); Serge Dumont (Co-candidat); Audrey Ferron

Parayre (Co-candidate); Marie-Pierre Gagnon (Co-candidate); Caroline Jose (Co-candidate);

Mathieu Ouimet (Co-candidat); Denis Prud’homme (Co-candidat); Geneviève Roch

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

(Cocandidate); Dawn Stacey (Co-candidate); Marie-Claude Tremblay (Co-candidate); Marie-Dominique Beaulieu (Collaboratrice); Mathieu Bélanger (Collaborateur); Paule Bernier (Collaboratrice); Joël Brodeur (Collaborateur); Danny Cormier (Collaborateur); Patrick Daigneault (Collaborateur); Jean-François Henry (Collaborateur); Martin Lafleur (Collaborateur); Lyse Langlois (Collaboratrice); Ted McDonald (Collaborateur); Céline Monette (Collaboratrice); Dominique Tanguay (Collaboratrice).  
Funding Source: CIHR- Application des Connaissances axée sur le genre et le Sexe des personnes en contexte Francophone Support Period: 2017-2020

25. Total obtained: CAD \$15,000

Title: Incidence, facteurs prédictifs et déterminants psychosociaux du développement des douleurs rachidiennes chez les enfants: une étude prospective.

PI: Lemire J, Co-PIs: **Bussières A.**, Lardon A.

Funding: Fond Institutionnel de Recherche (FIR). *Fond pour la Recherche Clinique. Décanat de la Recherche et de la Création.* Université du Québec à Trois-Rivières (competitive)

Support Period: May 2017 to May 2019

26. Total obtained: CAD \$12,500

Title: Promoting the use of a self-management strategy among chiropractors treating individuals with spine pain: Mixed methods pilot cluster-Randomized Controlled Trial

Aim: To evaluate the feasibility to implement a theory based knowledge translation intervention in clinical practice in Quebec.

PI: **Bussières A.**, Project Leader: Marchand AA. Co-I: Piché, M, Descarreaux, AlZoubi F, Martel J.

Funding Source: Canadian Chiropractic Guideline Initiative (CCGI) Practice-Based Research Networks. (competitive)

Support Period: May 2017-April 2018

27. Total obtained: CAD \$295 007 (internal: 75, 357\$, external: 219 650\$)/ 2 years

Title: Élaboration du contenu d'un site web portant sur l'incapacité et le retour au travail

Aim: Offrir aux parties prenantes du retour au travail au Québec (syndicats, intervenants en réadaptation au travail, milieux de travail, assureurs) une référence fiable favorisant l'adoption des meilleures pratiques dans les processus de prévention de l'incapacité au travail et du retour au travail.

Principal applicant / Organism(s): Christian Larivière (IRSST), Marc Corbière (UQAM), **André Bussières** (U. McGill), Iuliana Nastasia (IRSST), Marie-France Coutu et Marie-José Durand (U de Sherbrooke), Alessia Negrini (IRSST); Clermont Dionne (U. Laval), Daniel Côté (IRSST), Manon Truchon (U. Laval).

Funding Source: IRSST

Support Period: 2016-2018

28. Total obtained CAD \$12,000

Title: Supporting the development of learners' evidence-based practice competencies: A qualitative study of faculty and clinical supervisors' perspectives.

Aim: To explore faculty and clinical supervisors' experiences and perceptions of teaching EBP to students in OT, PT and SLP.

Principle applicant: Marie-Christine Halle, Aliko Thomas, **André Bussieres**

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

Funding source: Richard & Edith Strauss Foundation – KT research  
Support period: July 2016-June 2017

29. Total obtained: CAD \$11,998

Title: Using opinion leaders to implement clinical practice guideline recommendations on whiplash associated disorders: a controlled before and after study.

PI: Gaid D, Co-PI: **Bussières A** Co-I: Ahmed S,

Funding source: Richard & Edith Strauss Foundation – KT research

Support period: Oct 2015- Oct 2016

30. Total requested: CAD \$12,000

Title: Integrating international guidelines for pain education within physiotherapy programs across Canada: Development of a stakeholder-generated implementation plan.

Aim: To improve how entry-level physiotherapists in Canada understand and manage pain by integrating international guidelines on pain education within Canadian physiotherapy programs.

Principal applicant: PIs: TH. Wideman, Co-I: J. Miller, G. Bostick, A. Bussières, A. Thomas.

Funding Source: Richard & Edith Strauss Foundation – KT research

Support Period: Oct 2015- Oct 2016

31. Total obtained: CAD \$9,998.00

Title: Early diagnosis and prevention of Knee Osteoarthritis - Engaging stakeholders to identify potential opportunities and partnerships between healthcare and community settings in Quebec.

PI: Ahmed S, Co-I: **Bussières A**, Feldman D, Prasanna S.

Funding source: Canadian Institutes of Health Research, Planning and Dissemination Grant– Institute Community Support.

Support period: 2015-2016

32. Total requested: CAD \$25,000

Title: Early diagnosis and prevention of Knee Osteoarthritis– Engaging stakeholders to identify potential opportunities and partnerships between healthcare and community settings in Quebec.

Aim: A meeting with the support of the Bone and Joint Canada to bring together stakeholders in osteoarthritis to identify strategies, opportunities and challenges in implementing a knowledge translation program to reduce risk factors and control disease progression in knee OA in Quebec.

Principal applicant: Shreya Prasanna; co-applicants: Ahmed S, Bussières A.

Funding Source: CIHR-Planning and Dissemination

Support Period: 2015-2016

33. Total obtained: CAD \$7032.46

Title: Chiropractors can do: testing the feasibility of intervening to optimize chiropractic care for adults with neck pain disorders.

Principal applicant: Dhopte P, Co-PI: **Bussières A**, Co-AP: Ahmed A, French S, Quon J, Mayo M.

Funding source: Richard & Edith Strauss Foundation – KT research.

Support period: April 16st 2015-April 15<sup>th</sup> 2016.

34. Total obtained: CAD \$45,000

Title: Ontario Chiropractic Observational and Analysis Study (O-COAST): improving quality of care through better understanding of current chiropractic practice

PI: Silvano Mior, CoI: Simon French **André Bussières**,

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

Funding Source: Ontario Chiropractic Association  
Support Period: 2014 to 2015

35. Total obtained: CAD \$9,500

Title: A pilot study for the Canadian Chiropractic Observation and Analysis Study (C-COAST).

PI: Simon French, CoI: Silvano Mior, **André Bussières**

Funding Source: Queens University, Senate Advisory Research Committee

Support Period: 2014 to 2015

36. Total obtained: CAD \$40,000.

Title: Évaluation multi-sites de projets d'implantation d'une pratique clinique fondée sur des données probantes.

PI: Marie-Eve Lamontagne, **Bussières A**, Kairy D, Gagnon C, Noreau L, Allaire AS.

Funding Source: AERDPQ-AQESSS

Support Period: 2014 to 2015

37. Amount obtained: CAD \$12,000.

Title: Identifying barriers and facilitators to using classification systems for nonspecific low back pain and pilot testing of a KT intervention.

Principal investigator (PI), project lead and co-investigators: **Bussières A**, Fadi Al Zoubi, French, S, Mayo N.

Funding source: Richard & Edith Strauss Cda Fdn – KT research.

Support period: March 1st 2014-February 28<sup>th</sup> 2015.

38. Amount obtained: CAD \$11,600.

Competition: Richard & Edith Strauss Cda Fdn – KT research.

Title: Complex Regional Pain Syndrome Wiki: Creating a Community of Practice.

Principal investigator (PI): **Bussières A**, co-applicant and collaborators Côté-Leblanc G, Ms. Viens, Ms. Packham, Ms. Plourde, Ms. Lopes, Mr. Miller, Ms. Daigle, Mr. Mohamad.

Support period: March 1st 2014-February 28<sup>th</sup> 2015.

Support period: May 2007-2008

49. Amount obtained: CAD 93,000\$

Investigators: Gareau R, Blais MC, **Bussières A**, Dugas C, Lafrance J, Martel JM, Ménard C.

Title : Integrated Health Care Projet at UQTR

Fonds FODAR

Support period: March 2007-2008

50. Amount obtained: CAD 13 000\$

Investigators: Gareau R, Blais MC, **Bussières A**, Dugas C, Lafrance J, Martel JM.

Title : Integrated Health Care Projet at UQTR.

Fonds : Bureau du Vice-Recteur aux études de cycle supérieur et de la recherche, UQTR.

Support period : March 2006-2007

51. Amount obtained: CAD 10.000\$ (Amount Requested: 13 265,76\$)

Investigators: **Bussières A**, Tailor J, Peterson C.

Title: Diagnostic imaging guidelines for musculoskeletal disorders among primary care providers.

Canadian Chiropractic Protective Association (CCPA)

Support period: March 2006-07

52. Amount obtained: CAD 3000.00\$ (amount Requested: 8 004 \$)

Investigators: **Bussières A**, Mior S.

Department of graduate studies, CMCC - 29 April 2005

Support period: 2006-2007

53. Amount obtained – CFSR, July 1993 (\$3,005.00) and CMCC, February 1993 (\$1,200.00).

Canadian Foundation for Spinal Research (CFSR) and Canadian Memorial Chiropractic College (CMCC). Waterloo University, department of biomechanics' & Canadian Memorial Chiropractic College.

**RESEARCH FUNDING (Student Projects)**

54. Amount obtained by student: CAD 4 251\$

Canadian Health Research Institute, Student program, M. Nicholas Beaudoin, chiropractic student, May 2006.

**RESEARCH FUNDING (PENDING)**

**RESEARCH FUNDING (DECLINED)**

1. Total requested: CAD \$1,600,000

Title: The Biomedical Research and Informatics Living Laboratory for Innovative Advances of New Technologies in Community Mobility Rehabilitation - Knowledge Mobilization Network (BRILLIANT KMN)

Aim: To identify gaps in knowledge on mobility in acquired brain injuries (ABI) and support needed to implement evidence-based mobility evaluation and intervention, and to synthesize,

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

disseminate and enhance sustained uptake of the best available practices to improve targeted aspects of mobility and patient health for persons with ABI, and policy.,  
Principle Applicant: S. Ahmed; Co-Applicant: A. Thomas; Co-I: C Starnino, E. Kehayia, Bussières A. Shikako-Thomas K, Snider I, Majnemer A,  
Funding Source: Networks of Centres of Excellence (NCE)  
Support Period: 2018-2022

2. Total requested: CAD \$15,000

Title: Promoting the use of a self-management strategy among novice chiropractors treating individuals with spine pain: A mixed methods pilot cluster-randomized control study.  
Aim: To conduct a stepped wedge pilot cluster randomized controlled trial (C-RCT) to promote the use of the Brief Action Planning (BAP) among chiropractic interns in two schools. The BAP is a structured SMS tool allowing patient-centered goals, and to uncover the process underlying acquisition and application of an evidence-based intervention.  
Principal applicant: A. Bussières, Co-PI: Eilayyan O, A. Thomas, Co-I: MC Hallé, T. Tibbles, C, Jacobs, P. Sterns, Schneider M, French S, Davis C, Ahmed S. Long C, O'Shaughnessy J, Lepage G, Brousseau D, Barnsley J, Schuster T.  
Funding Source: CIHR Spring 2018 Project Grant.  
Support Period: 2018-2021

3. Total requested: CAD \$100,000

Title: Promoting the use of a self-management strategy among novice chiropractors treating individuals with spine pain: A mixed methods pilot cluster-randomized control study. Aim: To conduct a pilot cluster randomized controlled trial (C-RCT) to promote the use of the Brief Action Planning (BAP), a structured SMS tool allowing patient-centered goals, and to uncover the process underlying acquisition and application of an evidence-based intervention.  
Principal applicant: A. Bussières, Co-PI: A. Thomas, Co-I: MC Hallé, T. Tibbles, C, Jacobs, P. Sterns, P. Côté, Schneider M, Evans R, Ahmed S. Long C.  
Funding Source: CIHR- Catalyst grant- SPOR Innovative Clinical Trial  
Support Period: 2017-2018

4. Total requested: CAD \$200,000

Title: A Network for Enhancing Access and Appropriateness of Rehabilitation Back and Neck Care for Canadians: A new Twist on an Old problem.  
Aim: To establish a MSK spine practiced-based rehabilitation research network is to advance collaboration, knowledge and the clinical application of innovative patient-centered interventions that will allow us to target the right rehabilitation intervention and services to the right person at the right time.  
Principal applicant: S. Ahmed; Co-PI: A. **Bussières**; Felman D; Co-Appl.:  
Funding Source: CIHR- MSK Catalyst Grant  
Support Period: 2016-2018

5. Total requested: CAD \$200,000

Title: Promoting the use of a self-management strategy among novice chiropractors treating individuals with spine.  
Aim: To conduct a pilot cluster randomized controlled trial (C-RCT) to promote the use of the Brief Action Planning (BAP), a structured SMS tool allowing patient-centered goals, and to uncover the process underlying acquisition and application of an evidence-based intervention.  
Principal applicant: A. **Bussières**, Co-PI: A. Thomas, Co-I: MC Hallé, T. Tibbles, C, Jacobs, P.

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

Sterns, P. Côté Ahmed S.  
Funding Source: CIHR- KTA operating grant  
Support Period: 2016-2018

6. Total requested: USD \$450,000 (CAD 591,900)  
Title: Audit & Feedback Intervention to Reduce iMaging Use (AFIRM)  
Aim: To develop, refine and test an optimized Audit and Feedback intervention designed to reduce the rate of spinal x-ray utilization by chiropractors in a larger US Provider Network.  
Principal applicant: Co-PI: M. Schneider, Co-PI: **A. Bussières**, Co-I: JM. Stevans, L. Terhorst, H. Spallek, R. Evans, L. Delagran, S. French, N. Ivers, Consultants: J. Grimshaw, A. Sales, Optum Health Care: Insurance Stakeholder: D. Elton, T. Kosloff, M. Krejci.  
Funding Source: NIH- NCCIH operating grant  
Support Period: 2016-2018
7. Total Amount Requested: CAD \$50,000  
Title: *GoMobile* with CLEAR - Consumer Leadership Excellence that Advances Research on novel interventions and technologies to optimize mobility and reduce disability for Canadians with chronic diseases.  
Lead Investigators: Esdaile J, Co-investigators: Yeung R, MacDermid J, Lacaille D, Baron M, Dixon J, Tucker L, French S, Koehn C, Coish J, and over 80 Canadian investigators.  
Funding Source: CIHR SPOR Network initiative Stage 1, Arthritis and Musculoskeletal Health Community (Letter of Intention submitted Dec 2014). For Stage 2, CIHR will provide 12.4 million and we need partners to match funds. Support Period for Stage 1: March 2015
8. Total Amount Requested: CAD \$10,000  
Title: Developing and validating indicators to inform the development and evaluation of chronic pain rehabilitation programs. Chief Investigators: Sara Ahmed, Co-investigator: Viens N, Visca R, **Bussières A**, Gogovor A.  
Funding Source: CRIR  
Support Period: 2014 to 2015
9. Total Amount Requested: CAD \$198,514  
Title: Title: Knowledge to Action: A Pediatric Concussion Symposium - Building Capacity, Knowledge and Momentum.  
Principal Applicants: Nick Reed, Fait P, Provvidenza C. Co-applicants: kissick J, Razik M, Dematteo, Montepare W, Hung R, R Zemek, Mihalik J, Gagnon IJ, **Bussières A**, Bergeron G, vandonkelaar G.  
Funding Source: CIHR  
Support Period: 2014 to 2015
10. Total Amount Requested: CAD \$25,000  
Title: Creating Chiropractic Practice-Based Research Network (PBRN): Enhancing the management of musculoskeletal health. Chief Investigators: **André Bussières**, Dantas A, Côté P, Stuber K, French S, Godwin M, Gotlib A, Graham ID, Hawk C, Leboeuf-Yde C, Mior S, Grondin D.  
Funding Source: CIHR  
Support Period: 2014 to 2015
11. Total Amount Requested: CAD \$91,788  
Title: Title: Exploring how to develop implementation tools that optimize guideline use.  
Principal Applicants: Anna Gagliardi, **Bussières A**, Robinson P, Nysten K, Tan J, Gihad N.

## ANDRÉ BUSSIÈRES CURRICULUM VITAE

Funding Source: CIHR  
Support Period: 2014 to 2015

12. Total Amount Requested: CAD \$88 780

Title: Treatment-based classifications systems for low back pain: Systematic review. Chief

Investigators: **André Bussières**, Alzoubi, F, Busse J, Mayo N.

Funding Source: CIHR

Support Period: 2014 to 2015

13. Total Amount Requested: CAD \$135,500

Title: Title: Exploring how to develop implementation tools that optimize guideline use.

Principal Applicants: Anna Gagliardi, Brouwer M, Bhattacharyya O, Webster F, Ducey, **Bussières A**, A, Cafazzo J, Kushniruk A, Tamblyn R, Abidi R, Tobe S. GallCasey C.

Funding Source: CIHR

Support Period: 2014 to 2015

14. Total amount requested: CAD \$49,000

Research utilization and evidence-based practice in chiropractic: A scoping study

Chief Investigators: **André Bussières** DC, PhD, Aliko Thomas PhD, OT (c), Simon French

BAppSc(Chiropractic), MPH, PhD, Kent Stuber DC, MSc, Monika Kastner PhD, Jill Boruff MLIS, John Corrigan, DC.

Funding Source: CIHR

Support Period: 2013 to 2014

15. Total amount requested: CAD 61,892

Economic evaluations of chiropractic care for the treatment of back pain: a systematic review.

Chief Investigators: **André Bussières** DC, PhD, Marc-André Blanchette DC, MSc, Eric Tchouaket Nguemeleu PhD, Simon Dagenais DC, PhD, Jill Boruff MLIS, Alison Dantas MA.

Funding Source: CIHR

Support Period: 2013 to 2014

16. Total Amount Requested: CAD \$2 499 351 (declined)

Competition: Team Grant: Community-Based Primary Healthcare (Canadian Institutes for Health Research (CIHR))

Title: Transforming Community-Based Primary Healthcare: The MOVE/BOUGE Team

Principal investigator (PI) désignée: France Légaré

Principaux utilisateurs des connaissances (UC): Alain-Philippe Lemieux, Jean Légaré

UC : Nathalie Brière, Kathleen Clouston, Jacques Lemelin, Jamie Meuser, Carol Repchinsky

PIs: Patrick Archambault, Lise Bjerre, **André Bussières**, Sophie Desroches, Marie-Pierre Gagnon, Anik

Giguère, Mathieu Ouimet, Pierre Pluye, Dawn Stacey, Lyndal Trevena, Michel Wensing Period:

April 1st 2013-March 31st 2018

## PLATFORM PRESENTATIONS

December 2025

**Bussières A.** Chiropractors: Essential Partners in Musculoskeletal Care Pathways.  
McTimoney College of Chiropractic, Madrid, Spain – December 3, 2025 (Invited)

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

- November 2025 **Bussières A.** Réduire les obstacles aux soins rachidiens non pharmacologiques afin de minimiser l'exposition aux opioïdes dans la communauté autochtone de Pimicikamak au nord du Manitoba, Canada) : Projet de mise en œuvre. CERPOP UMR1295. Faculté de médecine, Université de Toulouse. Novembre 25, 2025 (Invited)
- October 2025 **Bussières A,** MacMillan M, Côté P. SPINE20 Call For Action: Implementing Value-Based Spine Care in South Africa. SPINE20 6th Annual Summit 2025. Sustainable Spine Care for All. Cape Town, South Africa, October 11, 2025 (Invited Speakers)
- August 2025 Kopansky-Giles D, et al. The Global Spine Care Initiative Model of care for Indigenous Communities in Northern Canada. International Federation of Musculoskeletal Research Society (IFMRS) Virtual Roundtable – August 28, 2025 (Invited)
- May 2025 Ward J, **Bussières A,** Atkinson-Graham M, Scott M, Moss J, Tavares P, et al. The prevalence and burden of musculoskeletal disorders amongst Indigenous people in Pimicikamak, northern Manitoba, Canada: A community health survey. The prevalence and burden of musculoskeletal disorders amongst Indigenous people in Pimicikamak, northern Manitoba, Canada: A community health survey. WFC 18th Biennial Congress 2025. Copenhagen, Denmark. May 7-10, 2025 (Platform presentation)
- May 2025 Hains F, Hayes R, Hains D, Mior S, **Bussières A,** Blanchette M.A. Preliminary Evaluation of the Usability of the "Patient Progress" Web Application for Data Collection within Clinical Practice: A Pilot Study. 18th WFC Biennial Congress in Copenhagen, Denmark May 7-10, 2025 (Submitted. Peer-reviewed)
- April 2025 Zaccagnini, M. **Bussières, A.** Nugus, P. West, A. Thomas, A. Measuring scholarly practice in respiratory therapists: The development and initial validation of a scholarly practice tool. International congress on academic medicine. April 6, 2025. Halifax, NS. (Submitted. Peer-reviewed)
- March 2024 **Bussières A.** Adverse childhood experiences and their association with increased risk of chronic pain. Montreal Children's Hospital, Trauma Rounds educational series. Montreal, Quebec, March 20<sup>th</sup>, 2025. (Invited)
- Dec 2024 **Bussières A.** 'Promoting the Uptake and Sustainability of Best Practices for People with Common Back and Neck Pain. Sheikh Zayed International TCAM Congress. Abu Dhabi, United Arab Emirates, Dec 10-11, 2024 (Invited)
- Nov 2024 Thomas, A., Ahmed, S., & **Bussieres, A.** Promoting the uptake and sustainability of scientific evidence across the continuum of rehabilitation services through knowledge mobilization: A primer for rehabilitation researchers and practitioners. Workshop at the 3rd International Rehabilitation Conference, Athens, Greece, Nov 8-9, 2024 (Submitted. Peer-reviewed)
- August 2024 **Bussières A,** Côté P, Wadhwa S. Advocating for health policy and systems research (HPSR) in spine health and rehabilitation. SPINE20, 5th Annual Summit.

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

- Understanding the Global Impact of Spinal Disorders Addressing Social Inclusion and Healthcare Disparities. Rio de Janeiro, Brazil August 9-11, 2024. (Session Chair)
- May 2024 Zaccagnini, M. **Bussières, A.** Nugus, P. West, A. Thomas, A. The scholarly and practice profile of respiratory therapists in Canada: A cross-sectional survey. The Canadian Society of Respiratory Therapists (CSRT) Annual Educational Conference. May 3-5, 2024. Banff, Alberta. (Submitted, peer-reviewed)

The American College of Chiropractic Consultants (ACCC) and The Council on Forensic Sciences (CFS), Oakbrook Hills Resort Hotel, Oakbrook, Chicago, USA. October 11, 2014 (Invited, non-peer reviewed).

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

- September 2014 Bussières A, Côté-leblanc G, Viens N, Plourde A. *Complex regional pain syndrome Wiki: Creating a community of practice.*, Centre de réadaptation Constance Lethbridge, Montréal (Québec). 26 septembre 2014 (Invited, non-peer reviewed)
- September 2014 Bussières A., *The design and pilot testing of a KT intervention.* School of Physical & Occupational Therapy McGill University and CRIR. Montreal, Qc. September 23, 2014 (invited, non-peer reviewed)
- September 2014 Bussières AE. *La cervicalgie. Quoi de neuf Doc?* Formation continue de l'Ordre des Chiropraticiens du Québec. Boucherville, Qc. September 21, 2014 (invited, non-peer reviewed)
- June 2014 Bussières A. *Chiropractic in the study and management of chronic pain.* Pain rounds, Montreal General Hospital. June 18 2014. Montreal. (invited, non-peer reviewed)
- May 2014 Larivière C, Côté D, Nastasia J. Bussières A, Sullivan M, Durand MJ, Coutu MF, Corbière M, Dionne C, Truchon M. Élaboration d'un site internet portant sur les meilleurs pratiques en lien avec l'incapacité et le retour au travail. Journée scientifique REPAR/FRSQ, May 16 2014, Centre MontRoyal, Montreal. (invited)
- May 2014 Côté-Leblanc, Bussières A. *Quand les données probantes se font attendre : développer une communauté de pratique pour cristalliser le savoir expérientiel en réadaptation du syndrome douloureux régional complexe.* 82e congrès annuel de l'Association francophone pour le savoir (Acfas), May 12, Université Concordia, Montréal QC (invited)
- May 2014 Zidarov D, Bussières A, Kairy D, Poissant L, Thomas A. Perception des rôles, des expériences et de l'impact des SAGEs comme agents de changement dans un centre de réadaptation: une étude de cas. KT Edith Strauss annual conference. Montreal. May 23<sup>rd</sup>.
- March 2014 French S, Bussières A, Ammendolia C, Mior S, Schneider M. *How To Conduct Knowledge Translation Research In Chiropractic Practice: Developing Implementation Interventions To Improve The Uptake Of Research Into Clinical Practice.* Workshop. ACC RAC March 21 2014, Orlando, Florida, USA (submitted, peer reviewed)
- March 2014 Bussières AE. *La cervicalgie. Quoi de neuf Doc?* Formation continue de l'Ordre des Chiropraticiens du Québec. Québec, Qc. March 1, 2014 (invited, non-peer reviewed)

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

- August 2013 Bussières AE, Francis JJ, Patey AP, Gagnon MP, Sales AE, Eccles M, Gaston G, Lemyre L, Grimshaw JM - on behalf of the Canada PRIME team. *Identifying factors influencing use of lumbar x-rays: A predictive study*. Guideline International Network (G-I-N) conference. Global Evidence. San Francisco, California, USA. Aug 20th, 2012 (submitted, peer reviewed)
- March 2013 Bussières A. *Stratégies visant à combler l'écart entre les données probantes et la pratique*. CRIR - Hôpital juif de réadaptation. Laval, Canada. (Invited, non-peer reviewed)
- March 2013 Bussières AE, Sales AE, Ramsay, T, Hilles S, Grimshaw JM. *Impact of guideline dissemination strategies among chiropractors enlisted in a Provider Network in the United States: Interrupted time series with segmented regression analysis*. ACC-RAC Conference. Chiropractic and Healthcare Reform: Improving Outcomes, Delivery, and Affordability of Healthcare. Washington, DC, USA. March 15-16, 2013 (submitted, peer reviewed)
- Feb 08, 2013 Bussières A. *Bridging the evidence-practice gap: A way forward to improve care-Vision 2012-2017* (The Guideline Initiative), Toronto, Canada (Invited, nonpeer reviewed)
- Jan 21, 2013 Bussières A. *Practice patterns in spine x-ray utilization among chiropractors enlisted with a provider network offering complementary care in the United States: A descriptive study*. Epidemiology Winter Seminar Series. Department of Epidemiology, Biostatistics and Occupational Health, McGill University.
- August 2012 Bussières AE, Grimshaw JM, Ramsay, T, Sales AE, Hilles S. *Impact of guideline dissemination strategies among chiropractors enlisted in a Provider Network in the United States: Interrupted time series with segmented regression analysis*. Guideline International Network (G-I-N) conference. Global Evidence. Berlin, Germany. (submitted, peer reviewed)
- May 2012 Bussières AE, Grimshaw JM, Ramsay, T, Sales AE, Hilles. *Identifying factors likely to influence the use of diagnostic imaging guidelines for spine disorders among chiropractors' in North America*. KT Canada National Series. Quebec, Qc (invited, non peer reviewed)
- March, June, Sept 2012 Bussières AE. *Quand s'inquiéter de l'état de son patient?* Formation continue de l'Ordre des Chiropraticiens du Québec. Mont Sainte-Anne March, March 2012, Orford, Qc; June, 2012; Boucherville, Qc. Sept 2012 (invited, non peer reviewed)  
Bussières A, Patey A, Francis J, Sales A, Grimshaw J. *Identifying factors likely to influence compliance with diagnostic imaging guideline recommendations for spine disorders among chiropractors in North America: a focus group study using the Theoretical Domains Framework*. 5th Annual NIH Conference on the Science of Dissemination and Implementation: Research at the Crossroads. Maryland, USA. (submitted, peer reviewed)

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

- March 2012 Bussières A, Patey A, Francis J, Sales A, Grimshaw J. *Identifying factors likely to influence compliance with diagnostic imaging guideline recommendations for spine disorders among chiropractors in North America: a focus group study using the Theoretical Domains Framework*. 15th Interdisciplinary Conference of the GSAED, University of Ottawa. (submitted, peer reviewed)
- November 2011 Bussières AE, Grimshaw JM, Ramsey T, Hiles S. *Practice patterns and variations in spine x-ray ordering among chiropractors enlisted with a provider Networks offering complementary care in the United States*. OHRI Research Day, Ottawa Hospital Research Institute, Ontario. (submitted, peer reviewed)
- March 2011 Bussières A. *KT Strategies to Improve Guidelines Implementation and Clinical Decision Making*. Behavioural Science Research Group. NewCasle, Australia. (Invited, non peer reviewed)
- March 2011 Bussières A, Patey A, Francis J, Sales A, Grimshaw J. *Identifying factors likely to influence compliance with diagnostic imaging guideline recommendations for spine disorders among chiropractors in North America: a focus group study using the Theoretical Domains Framework*. International Forum on Low-Back Pain Research in Primary Care 2011, Melbourne, Australia. (submitted, peer reviewed)
- March 2011 French S, Foster N, Page M, Bussières A. *Troublesome translation: designing implementation interventions to improve the management of low back pain in primary care*. Workshop. International Forum on Low-Back Pain Research in Primary Care 2011, Melbourne, Australia. (invited, peer reviewed)
- March 2011 Bussières A. *Using Diagnostic Imaging Guidelines to Improve Clinical Decision Making*. MRIT, Chiropractic Department. Melbourne, Australia. (invited, peer reviewed)
- March 2011 Bussières A. *KT Strategies to Improve Guidelines Implementation and Clinical Decision Making*. Australasian Cochrane Centre, Monash University, Melbourne, Australia. (invited, non peer reviewed)
- February 2011 Bussières A. *Guidelines and KT Strategies to Improve Clinical Decision Making*. Axe de Transfert des Connaissances. Université Laval. PQ. (invited, non peer reviewed)
- December 2010 Bussières A, Patey A, Grimshaw J, Francis J, Sales A, Lemyre, L. *Identifying factors likely to influence the use of diagnostic imaging guidelines for spine disorders among chiropractors in North America*. KT Face-To-Face, Ottawa Hospital Research Institute. (invited, non-peer reviewed)
- February 2010 Bussières A. *Applying recommendations from diagnostic imaging guidelines in practice*. The American Specialty Health Network, San Diego, California (USA). (invited, non peer reviewed)

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

- October 2009      Bussières A. *Workshop to advance the Canadian Chiropractic Research Agenda*. Canadian Chiropractic Research Foundation. Montreal. (invited, non-peer reviewed)
- May 2009          Bussières AE, Laurencelle L, Peterson C. *Diagnostic imaging guidelines implementation study: A randomized trial with postal follow-ups*. European Chiropractors' Union (ECU). (invited, peer reviewed)

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

- March 2009 Bussières AE, Laurencelle L, Peterson C. *Diagnostic imaging guidelines implementation study: A randomized trial with postal follow-ups*. Association of Chiropractic Colleges Educational Conference XVI – Las Vegas (USA) (submitted, peer reviewed)
- December 2008 *Diagnostic Imaging Guidelines Implementation Study and American Specialty Health Network (ASH), Preliminary proposal*. KT ICEBeRG (Improved Clinical Effectiveness through Behaviour Research Group) 10<sup>th</sup> annual meeting, Ottawa. (invited, peer reviewed)
- October 2008 CME. Fédération des Médecins Omnipraticiens du Québec (Québec) *Ostéopathie, chiropractie, physiothérapie... comment nous démêler?* (invited, peer reviewed)
- September 2007 Bussières AE, Peterson C, Taylor JM. *Diagnostic Imaging Practice Guidelines for for Diagnostic Imaging in Adults – Spine Disorders*. Continuing Education Congress. Davos (Switzerland) September 6-9th, 2007 (invited, peer reviewed)
- September 2007 Bussières A., Peterson C. Suisse Annual Continuing Education Congress. Davos (Switzerland) September 6-9th, 2007 *Indications for Diagnostic Imaging in Adults – Spine Disorders Transfer of guidelines into the daily practice*. (invited, peer reviewed)
- May 2007 Bussières A. WFC's and FCER's International Conference on Chiropractic Research. *Indications for Diagnostic Imaging in Adults. Part 3 - Spine Disorders: Consensus Opinion Recommendations Based on Current Literature*. Vilamoura, Portugal, May 17-19th, 2007 (submitted, peer reviewed)
- November 2006 Bussières A. Canadian Chiropractic Convention- *Panel discussion on specialized diagnostic imaging*. Vancouver (British Columbia). (invited, peer reviewed)
- October 2006 Bussières A, Gareau R, Martel MJ, Lafrance J, Blais M. *Projet de Clinique Intégré en Santé à l'UQTR*. World Federation of Chiropractic (WFC) and Association of Chiropractic Colleges (ACC) Education Conference. Cancun, (Mexico). (submitted, peer reviewed)
- October 2006 CME - «*L'Approche chiropratique - Efficacité et innocuité des différents traitements, quelles sont les évidences en chiropratique ?*» Faculté de Médecine, Université de Sherbrooke. Orford (Quebec). (invited, peer reviewed)
- September 2006 *Diagnostic Imaging Practice Guidelines for Musculoskeletal Complaints: Adult Lower Extremity*. FCER's Conference on Chiropractic Research September 15-16, 2006 – Chicago (Illinois). (submitted, peer reviewed)
- March 2006 Complementary and alternative medicine conference, *Expert panel and the chiropractic approach*, Medical faculty, Sherbrooke University (Quebec). (invited, non peer reviewed)
- November 2005 *L'approche chiropratique pour la lombalgie chronique*. Formation continue médicale et la FMOQ. Montreal (Quebec) (invited, peer reviewed)

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

- November 2005 Bussières A «*CHIROPRACTIQUE Champ de pratique, historique, formation, recherche, diagnostic & efficacité thérapeutique, innocuité*» Étudiant de 1<sup>re</sup> année – Faculté de médecine – Université de Montréal, Montreal (Quebec). (invited, non-peer reviewed)
- October 2005 CMCC Clinical Sciences Residents Rounds – *Cauda equina syndrome – Case presentation*. Toronto (Ontario). (invited, non-peer reviewed)
- March 2005 Complementary and alternative medicine conference. *The chiropractic approach*, Medical faculty at Sherbrooke University, Quebec. (invited, non-peer reviewed)
- October 2004 Bussières A, Cardin A, Peterson C, Taylor J. *The use of radiology practice guidelines in education*. World Federation of Chiropractic (WFC) and Association of Chiropractic Colleges (ACC) conference. Toronto (Ontario). (submitted, peer reviewed)
- Octobre 2004 Expert panel: *Managing complex neck pain*. World Federation of Chiropractic (WFC) and Association of chiropractic Colleges (ACC) conference. Toronto (Ontario). (invited, peer reviewed)
- March 2004 Bussières A. *Radiology practice guidelines for extremity disorders in the adult: indications for X-ray taking for the Chiropractic Intern and Clinician*. Association of Chiropractic Colleges (ACC) conference, Las Vegas (Nevada). (submitted, peer reviewed)
- Avril 2004 Éducation médicale continue - *À qui l'omnipraticien devrait-il référer ses patients avec lombalgie chronique. Efficacité et innocuité des différents traitements conservateurs : Quelles sont les évidences en chiropratique ?* Montreal (Quebec).
- April - November 2001 *Critical appraisal, presentation of a scientific article. Whiplash in the interdisciplinary environment*. Organised by the Quebec Automobile Insurance Group (SAAQ) in Montreal, (Quebec). (invited, peer reviewed)
- April & June 2000 *Chiropractic expert – Continuing education for health care professionals in interdisciplinary teams on whiplash (TAEC II)*, Quebec Automobile Insurance Group (SAAQ), Montreal (Quebec). (invited, peer reviewed)
- Jan. 2000 *The chiropractic approach to neck sprain*, Module chiropratique, Université de Trois-Rivières, (Quebec) (invited, non-peer reviewed)
- March 1999 *The chiropractic approach to neck sprain* Annual Symposium. Quebec Orthopaedic Association, Orford (Quebec) (invited, peer reviewed)
- Dec. 1994-1999 *Chiropractic for back and neck disorders* Annual presentation to medical students, Montreal University, Notre Dame Hospital, Montreal (Quebec) (invited, non-peer reviewed)

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

- April 1998      *Is there a role for chiropractic in idiopathic scoliosis ?*  
Multidisciplinary conference in paediatric  
Evidence based chiropractic, Montreal, (Quebec) (invited, non-peer reviewed)
- Oct. 1996      *The chiropractic approach to low back pain*  
Quebec Orthopaedic Association Annual Symposium  
Montebello, (Quebec) (invited, peer reviewed)
- Nov. 1995      *The chiropractic point of view*  
Montreal Spine Course  
Canadian Orthopaedic Association, Montreal, (Quebec)  
(invited, peer reviewed)
- Sept. 1994      *Concise Neurological Exam.* Annual conference;  
Trois-Rivières University, Trois-Rivières (Quebec)  
(invited, non peer reviewed)
- June 1994      *The Role of Chiropractic in a Multidisciplinary Back Center,*  
American Back Society Conference, Montreal (Quebec)  
(invited, peer reviewed)
- September 1993      *Spinal Cord Astrocytoma presenting as Torticollis and Scoliosis: A Case presentation,* Canadian Roentgenology Counsel, Trois-Rivières University, Trois-Rivières (Quebec). (invited, peer reviewed)
- May 1993      *A multidisciplinary approach to Low Back Pain*  
Orthopaedic rounds, North York General Hospital, Toronto (Ontario)  
(invited, non-peer reviewed)
- March & May 1993      *The examination of the acute low back and The mini neurological exam,*  
CMCC Technique club, Toronto (Ontario) (invited, non-peer reviewed)
- December 1992      *Chiropractic: How and Why?*  
Rheumatology Rounds, Saskatoon Royal University Hospital,  
Saskatoon (Saskatchewan) (invited, non-peer reviewed)
- 1992      *Chronic Pain and Fibromyalgia,* CMCC Home Coming,  
Toronto (Ontario) (invited, non-peer reviewed)
- 1991      Orthopaedic Casting, Annual Update in Emergency Medicine, North York  
General Hospital, Toronto Convention Centre (Ontario)  
(invited, non-peer reviewed)

**GRADUATE STUDENTS SUPERVISION/ SUPERVISION D'ÉTUDIANTS GRADUÉS**

**POST-DOCTORAL STUDENT**

*Melissa Atkinson-Graham DC, PhD*

Postdoctoral Student- Université du Québec à Trois-Rivières

Research project: *Assessing the readiness and feasibility to implement a model of care for spine disorders and related disability in Pimicikamak, an Indigenous community in northern Manitoba, Canada: A research protocol by World Spine Care Canada and the Global Spine Care Initiative.*

Start date: September 2023

End date: August 2024

Supervisor: **André Bussières** DC, PhD

*Christine Hallé M.P.O., PhD*

Post-Doctoral Student in Rehabilitation Sciences (McGill University)

Research project: *Knowledge translation in the rehabilitation professions: from education to clinical practice.*

Start date: September 2015

End date: April 2019 (maternity leave in 2018 and Feb 2019)

Co-Supervisors: **André Bussières**, Alik Thomas OT, PhD

*Owis Eilayyan PT, MSc, PhD*

Post-Doctoral Student in Rehabilitation Sciences (McGill University)

Research project: *Optimizing Guideline uptake and self-management support in Chronic Spine Pain.*

Start date: June 2017

End date: May 2018

Supervisors: **André Bussières**, Co-supervisor: and Alik Thomas OT, PhD

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

**DOCTORAL STUDENT**

*Alicia Colin DC, MSc*

PhD student – University de Toulouse III - Paul Sabatier, Toulouse, France

Research project: *Adherence to clinical practice guideline recommendations on the management of neck pain in French chiropractic teaching clinics, understanding barriers and facilitators to guideline uptake, and updating neck pain guideline recommendation.*

Start: Sept 2022

End date: May 2027

Supervisors: Sébastien Lamy PhD; Co-supervisor: **Andre Bussieres**, Expert: Christine Rolland, Arnaud Lardon

*Jennifer Ward, DC, MSc*

PhD student – University of Manitoba

Research project: *Readiness and feasibility to implement an evidence-based model of spine care to improve the health of people in Pimicikamak, northern Manitoba. A collaborative project with The Global Spine Care Initiative.*

Start: Sept 2022

End date: May 2027

Supervisors: Steven Passmore DC, PhD; Co-supervisor: **Andre Bussieres**

*Fauzia Chaudhry PT, MSc*

PhD Student- McGill University

Research project: *Barriers to implementing health learning systems in CIUSSS, Quebec, Canada.*

Start: September 2022

End date: Abandon the program (2024)

Supervisor: Sara Ahmed PT, PhD; Co-supervisor: **André Bussièrès**

*Nathan Augeard, PT, MSc*

PhD student – McGill University

Research project: *Building an evidence-based foundation to improve pain management education in physiotherapy: Insights from four participatory studies with Canadian entry-level programs*

Start: Sept 2019

End date: July 2025

Supervisors: Timothy H Wideman PT, PhD; Co-supervisor: **Andre Bussieres**

*Marco Zaccagnini, RRT, CCAA, FCSRT, BHSc, MSc*

PhD student – McGill University

Research project: *Understanding registered respiratory therapists' role as scholarly practitioners: towards optimizing professional practice and patient outcomes.*

Start date: June 2019

End date: August 2024

Supervisors: Alik Thomas OT, PhD; Co-supervisor: **André Bussièrès**

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

*Anthony Teoli, MScPT, PhD*

PhD Student in Rehabilitation Science – McGill University

Thesis: Assessing sensitivity to physical activity in patients with knee osteoarthritis and following total knee arthroplasty.

Start: April 2019

End date: August 2024

Supervisor: Shawn Robbins, PT, PhD; Co-supervisor: John Antoniou, MD, PhD, FRCSC Supervisory Committee: Timothy Wideman, PT, PhD; **André Bussières**

*Dina El Dary Gaid PT, MSc, PhD*

PhD Student in Rehabilitation Sciences (McGill University)

Research project: *Change agents to facilitate the adherence of clinical practice guidelines in rehabilitation field: Roles, training, and responsibilities.*

Start date: September 2014

End date: December 2020

Supervisor: **André Bussières**; Co-supervisor: Sara Ahmed PT, PhD Committee members: Aliko Thomas OT, PhD; Marie-Hélène Laramée OT, Knowledge Broker Facilitator  
Currently completing a Postdoctoral

*Fadi Al Zoubi PT, MSc, PhD*

PhD Student in Rehabilitation Sciences (McGill University)

Thesis protocol: *Optimizing the management low back pain: stratified care approaches, implementation challenges, and impact on patients' health*

Start date: January 2013

End date: March 2017

Supervisor: **André Bussières**; Co-supervisor: Nancy Mayo PT, PhD  
Work: Assistant Professor, Hong Kong Polytechnic University

*Eric Roseen DC, MSc, PhD student*

PhD student – Boston University

Research project: *Improving Access to Chiropractic Care for Low Back Pain in Underserved Primary Care Settings: Development and Evaluation of a Multi-level Implementation Strategy. NIH/NCCIH, K23 Career Development Award, 1K23AT010487-01; PI: Roseen. Total amount: \$802,179*

Start: Sept 2019

End date: May 2023

Supervisors: Robert Saper, MD, MPH, Roni Evans, DC, PhD, MS, David Felson, MD, MPH;  
Advisors: **Andre Bussières**, Lance Laird, Michael LaValley

**MASTERS STUDENT**

*Sylvain Pigeon, DC*

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

MSc Student- Université du Québec à Trois-Rivières, Maitrise en sciences de l'activité physique DSAP

Research project: *Obstacles et facteurs facilitant l'utilisation des données probantes en lien avec l'autogestion des patients lombalgiques durant la formation des futures chiropraticiens en France.*

Start: September 2021

End date: Juin 2024

Supervisor: **André Bussières** DC, PhD; Co-supervisor: Arnaud Lardon DC, PhD

*Conchita Edwin Saldanha, OT*

MSc Student- McGill University

Research project: *Patient engagement in research-Stakeholders' perspective*

Start: September 2020

End date: Nov 2022

Supervisor: Aliko Thomas OT, PhD; Experts: **André Bussières**, Tania Janaudis-Ferreira

*Fauzia Chaudhry PT*

MSc Student- McGill University

Research project: *Adverse childhood experience and adult persistent pain and disability: A systematic review and meta-analysis.*

Start: September 2021

End date: September 2022

Supervisor: **André Bussières**

*Josiane Francoeur DC*

MSc Student- Sciences Biomédicale, Département d'Anatomie, UQTR

Research project: *Effect of Neurodynamic Mobilizations On Intraneural Pressure of Cervical Nerve Roots: A Cadaveric Investigation.*

Start: January 2018

End date: Abandon the program in 2019

Supervisor: Stéphane Sobczak PhD; Co-supervisor: **André Bussières**

Work: part time clinical practice, Laval, Quebec, Canada

*Frédéric Messier MSc*

MSc Réadaptation – Université Laval

Research project: *Implementation of an evidence-based clinical guide in traumatology: a social return on investment (SROI) analysis.* Start date: September 2015

End date: Abandon the program in Nov 2017.

Supervisor: Marie-Eve Lamontagne OT, PhD Co-supervisor: **André Bussières**

Work: APPR / Coordonnateur de recherche clinique à l'IRGLM, Montreal, Canada

*Prakash Dhopte PT, MSc*

MSc Student in Rehabilitation Sciences (McGill University)

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

Thesis: *Testing the feasibility of intervening to optimize chiropractic care for adults with neck pain*. Trial Registration: <https://clinicaltrials.gov/>, NCT02483091, registered 17 June 2015. Start date: January 2014

End date: August 2016

Supervisor: **André Bussières**

Currently enrolled in a PhD Program at Sydney University

*Mehmet Inceer PT, MSc*

MSc Rehabilitation Sciences, McGill University

Project: *Physical therapy - Education, scope, integration and service delivery: An international comparison with a focus on Turkey*.

Start date: September 2015

End date: April 2016

Supervision: **André Bussières**, Co-supervisor: Liliane Asseraf-Pasin

Currently enrolled in a PhD under Dr Nancy Mayo supervision

*Ingrid Dober DC, MSc*

MSc Student- Sciences Biomédicale (UQTR- Université de Montréal)

Research project: *Vérifier la validité de tests orthopédiques couramment utilisés pour diagnostiquer un syndrome du défilé thoracique (SDT)*. Start: Septembre 2013

End date: April 2016.

Supervisor: Gilles Bronchti PhD, Co-supervisor: **André Bussières**

Work: Full time clinical practice, Laval, Quebec, Canada

*Chantal Doucet DC, MSc*

MSc Student - Sciences Cliniques, Université de Sherbrooke

Research project: *Adaptation culturelle et validation en français du Modified Back Belief Questionnaire (MBBQ) sur les douleurs pelviennes postérieures chez la femme enceinte*. Start date: September 2012

End date: May 2018

Co-supervision: Denise St-Cyr Tribble, PhD, Marie-France Dubois PhD,

Co-supervisor: **André Bussières**

**Professional Masters student project supervision (McGill University)**

2020-2021 Kimberly Mcbain, Cameron Dinh, Emily Steinberg, Co-supervisory team: Melanie Haffar, Sarah Scachecho, Dahan-Oliel N. *Perspectives from pediatric clinicians and managers: A qualitative study of the facilitators and barriers to the uptake of clinical practice guidance for arthrogyposis*.

2019-2020 Camille Dubé, Yu Jin, Ginny Li, Brienne Powers. *Evaluation tools for visual deficits in adults with acquired brain injuries (ABI) in the rehabilitation setting: A scoping review*.

2017-2018 Myriam More, Roxanne Pelletier, Sylvia Lin, Alexia Robitaille. *Interventions to address vision and visual-perceptual impairments to optimize occupational performance in adults*

**ANDRÉ BUSSIÈRES**  
**CURRICULUM VITAE**

*with acquired brain injury: Barriers and facilitators contributing to the gap found between current occupational therapy practice and evidence-based interventions.*

- 2016-2017 Filip Myszak, Katryne Scott, Paul Yoo, Stephanie Mamann. Professional Master of Science in Physical Therapy, McGill University (*Interventions to address Vision and Visual-Perceptual Impairments to Optimize Occupational Performance in Adults with Acquired Brain Injury: A Cross-Sectional Survey of Occupational Therapy Practices*).
- 2015-2016 Rosalie Blais-Hébert, Marie-Pier Durivage; Léonie Duranleau; Julia Dao. Professional Master of Science in Physical Therapy, McGill University (*Barrières et facilitateurs à l'adhésion à des stratégies d'autogestion pour les patients atteints du syndrome douloureux régional complexe (SDRC)*)
- 2014-2015 Kimberly Bulger, Sang Ni Cao, Victoria Schouela, Torri Luchyshyn, Kathleen Higgins. Professional Master of Science in Physical Therapy, McGill University (*Determinants of the Uptake of a Web-Based Intervention for the Management of Osteoporosis*).
- 2013-2014 Anna Galstyan, Dalita Khy, Ziyi Lin, Professional Master of Science in Physical Therapy, McGill University, and Mylène Godin, PT (*Feasibility of implementing Brief Action Planning among clinicians' practice with low back pain patients*).
- 2012-2013 Virginie Hebert, Erica Gerber; Leo Culhane; Ankur Pate; Professional Master of Science in Physical Therapy, McGill University (*Identifying Barriers and Facilitators to the Uptake of Clinical Practice Guideline on Neck Pain Disorders Among Physical Therapists*).
