## Center on the Developing Child - Harvard University

A Guide to COVID-19 and Early Childhood Development

Website: [https://developingchild.harvard.edu/guide/a-guide-to-covid-19-and-early-childhood-development/?utm\\_source=newsletter&utm\\_medium=email&utm\\_campaign=april\\_2020](https://developingchild.harvard.edu/guide/a-guide-to-covid-19-and-early-childhood-development/?utm_source=newsletter&utm_medium=email&utm_campaign=april_2020)

### **Child Development Institute**

Child Development Institute (CDI), an accredited children's mental health agency in Toronto, is a groundbreaker in developing innovative programming.

**Website:** <http://www.childdevelop.ca>

### **Others English resources – Parent-child relationship**

#### **Centre for Excellence in Child and Family Welfare**

Resources to support parents and carers in dealing with Coronavirus (COVID-19).

- How to talk to children about Coronavirus
- Learning/school holiday resources
- Mental health resources for parents and carers
- Resources for people with a disability and their carers
- Protection/safeguarding/online safety resources

**Website:** <https://www.cfecfw.asn.au/coronavirus-parents/>

#### **Australian Parents Council**

Coronavirus: Advice, support and resources for parents

- Quick links to government information
- Learning at home tips for parents
- Fun things to do with kids at a social distance
- Talking COVID-19 and emotional well-being

**Website:** <https://austparents.edu.au/information-and-advice/coronavirus-advice-support-and-resources-for-parents/>

### **The Fathering Project - At Home**

The Fathering Project acknowledges we are all sharing similar feelings of anxiety about recent events and uncertainty about what lies ahead. It's becoming apparent that facing a public crisis requiring social separation can make us feel powerless and isolated. There are, however, things you can do to support your family and local community during this time to reduce the impact of such feelings.

We have developed some tips to help you.

**Website:** <https://thefatheringproject.org>

### **Raisingchildren.net.au**

Raisingchildren.net.au provides ad-free parenting videos, articles and apps backed by Australian experts.

- Information for parents and carers
- Family resources and services
- Need activites for kids? Our fun play ideas also help your child learn

**Website:**

<https://raisingchildren.net.au/guides/coronavirus-covid-19-guide>

### **Emerging Minds**

For over 20 years Emerging Minds has been dedicated to advancing the mental health and emotional wellbeing of Australian infants, children, adolescents and their families.

- Resources
- Articles
- Apps
- Podcasts

**Phone:** [08 8367 0888](tel:0883670888)

**Website:** <https://emergingminds.com.au>

### **Galleries and museums**

Across the world are offering free virtual tours. Take your kids on a virtual excursion. All the virtual concerts, plays, museums and other culture you can enjoy from home.

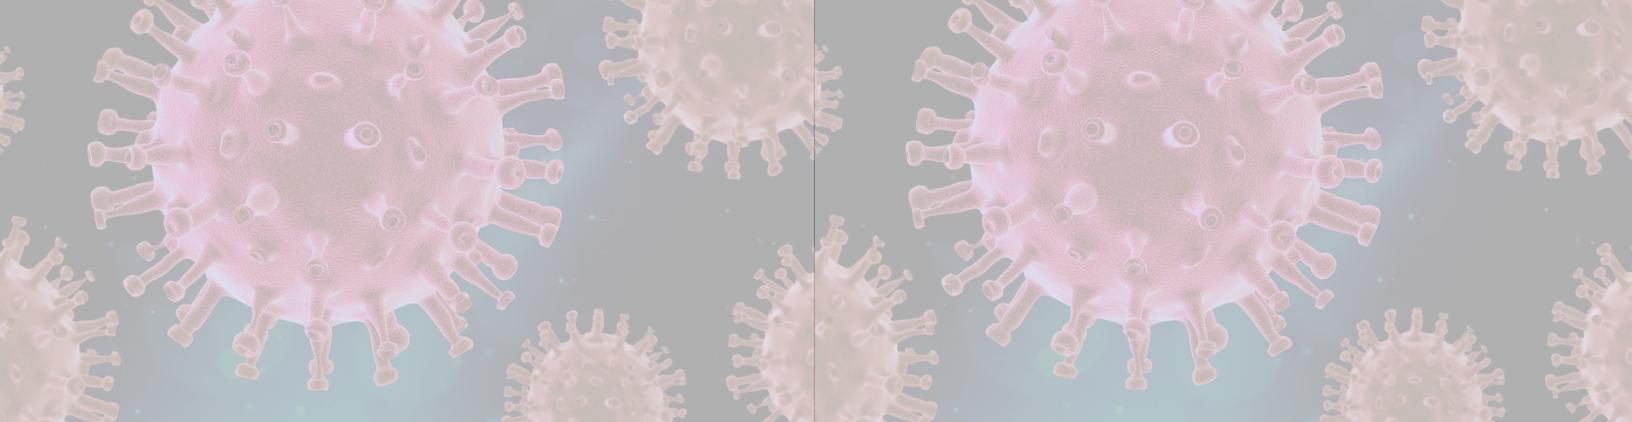

**Website:** <https://edition.cnn.com/style/article/what-to-do-at-home-streaming-art-museums-concerts-coronavirus-trnd/index.html>

### **Play School**

Play School aims to encourage a child to wonder, to think, to feel and to imagine. The program shows two warm, caring people taking the time to be with one child. They address the child directly and personally. Into this relationship are woven the stories, songs and activities that form the fabric of Australian children's culture.
